International Student Admission Regulations
At the United Arab Emirates University
AY 2016/2017

I. Admission Procedure:

1. International Students are eligible to be admitted to the United Arab Emirates University and on a provisional basis to the following Colleges during AY 2016/2017 in accordance with the criteria and conditions set forth by UAEU and subject to the enrollment limits established for each college:

   College of Humanities and Social Sciences, College of Science, College of Education, College of Business and Economics, College of Law, College of Food and Agriculture, College of Engineering and College of Information Technology.

   Admission to UAEU is based on relevant academic preparation and performance levels, and the instructional capacities of the academic programs. Eligibility will be based on a combination of the candidate's Grade 12 Grade Average

2. Students admitted to the university will be provisionally assigned to a college in accordance with the instructional capacity of each college, the preferences expressed by the student and their academic qualifications. In case of equal qualifications, preference will be based on student grade averages in subjects qualifying for admission to the specific college.

3. Students holding a National Grade 12 Certificate - Literary/ Arts Track, or equivalent, may apply for admission to the colleges of Humanities and Social Sciences, Education, Business and Economics, and Law in accordance with their averages and the available instructional capacity.

4. Students holding a National Grade 12 Certificate - Science Track, or equivalent, may apply for admission to the colleges of Humanities and Social Sciences, Science, Education, Law, Business and Economics, Food and Agriculture, Engineering, and Information Technology in accordance with their averages and the available instructional capacity.

5. International applicants should apply online through the link below:
