How can you apply for "Installment Tuition Fee" service?

The Installment tuition fee service provides students with a method to pay their tuition fees during each semester. The student may divide the tuition fee in three installments within three months (for all Master and PHD students), or four installments within four months (for only DBA students and student's employee at UAE University), in which the student will pay the amount agreed upon in the service within the specified date.

The "Tuition Fees" service can be submitted during the period **o1 September – 19 September 2019**, the application must be submitted during each semester.
