[Etihad Airways Recruitment Day](#) – Tuesday May 24th, 2011

Employment Opportunities for UAE University Male Graduates!

Dear Students / Graduates / Alumni:

Etihad Airways Emiratization Recruitment Team will be visiting UAE University Campuses on Tuesday May 24th, 2011 to present the job vacancies available to male students and graduates. This is a great opportunity for our talented **male** students, from **all majors**, to come face-to-face with officials from the national airlines of the UAE and present themselves and their CVs to the company.

The Event will be held as follows:

Tuesday May 24th, 2011

10 am – 3:30 pm

Jeemi I Campus – iWIL Bld. # 33 – Awad Al Hakim Auditorium

The Etihad Airways Recruitment Day will provide UAEU National Students & Graduates from all majors with the opportunity to:

- **DISCOVER** employment opportunities in the airline industry sector.
- **LEARN** about Etihad Airways.
- **NETWORK** with professionals.
- **SUBMIT** your CVs and **APPLY** for vacancies at the event.
- **PROGRESS** to the next stage in your career with a range of positions.

Cadet Pilot Program – open to all majors

Etihad's UAE National Cadet Pilot Programme prepares eligible Emirati candidates for the role of pilot for its modern fleet. You'll be trained at Horizon International Flight Academy in Al Ain, UAE. The programme duration is 18 months.

On successful completion of the training, you will be granted a commercial pilot's license. And you'll be on your way to the top, starting your flying career as a Second Officer. You can look forward to flying state-of-the-art aircraft and meeting with one of the world's fastest growing airlines.

Graduate Management Program – open to all majors

Graduates will develop strong leadership capabilities and form a group of professionals who are prepared to meet rapidly expanding and evolving leadership needs in various departments within Etihad. This program includes rotational assignments/tasks in all key business areas; with people and/or project management responsibilities pairing with management professionals as well as periods of high intensity classroom training and self instruction.

Don't miss this opportunity, attend and submit your CV!
