"Leadership and excellence in higher education and scientific research at the regional and international levels."

UAE scientists join fight against antibiotic-resistant bacteria

July 26, 2015

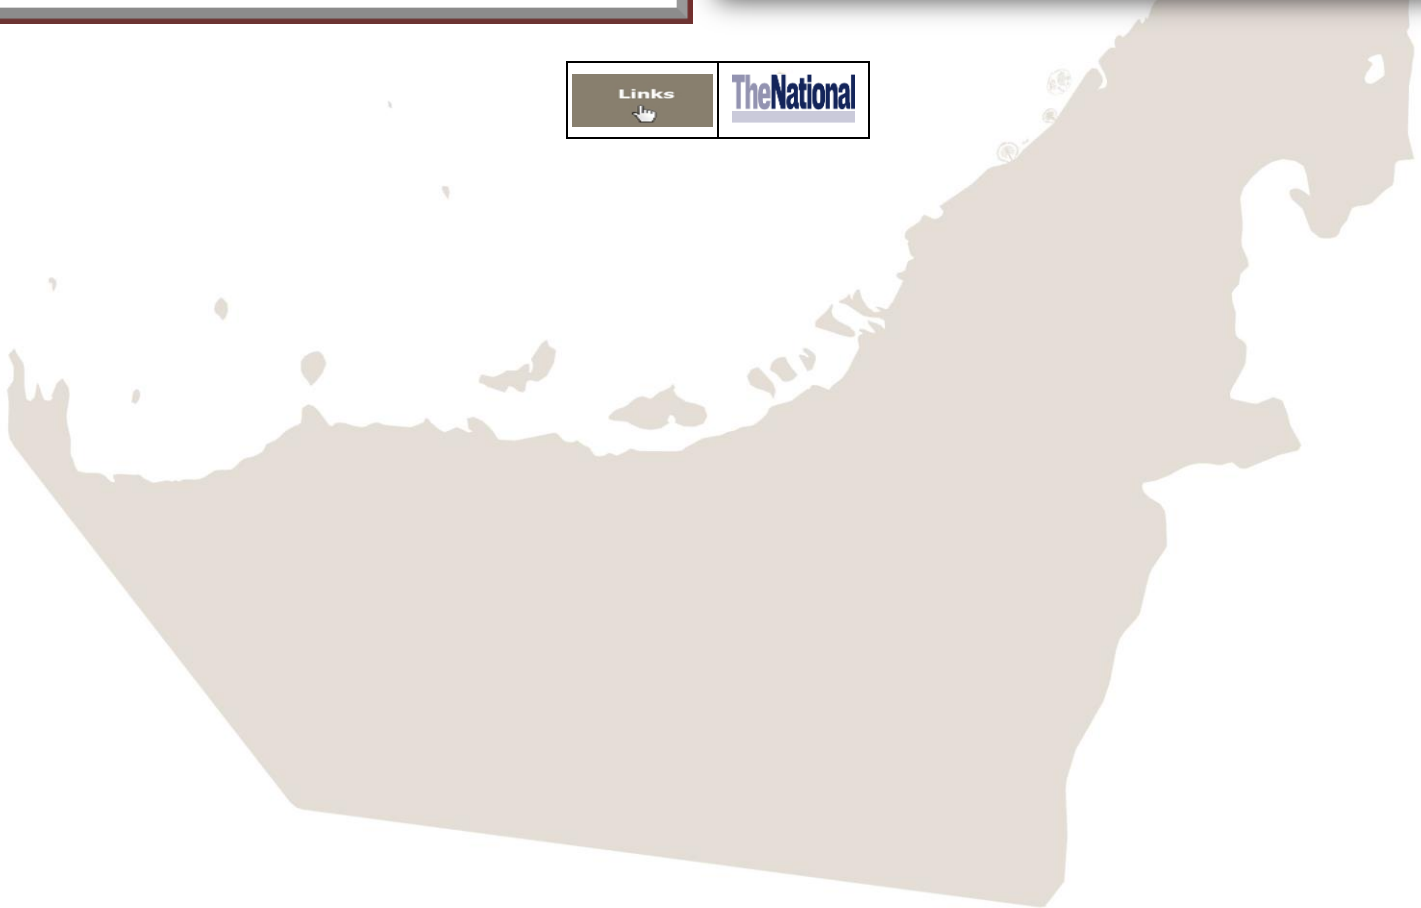

Scientists at UAE University are investigating antibiotic-resistant bacteria in a bid to battle what is fast becoming a global problem.

Microbiologist Dr Tibor Pal said: “Antibiotic resistance, the capacity of pathogenic bacteria to resist treatment with drugs meant to kill them, is one of the most serious problems medicine is facing.
