

جامعة الإمارات العربية المتحدة
United Arab Emirates University

UAEU

University vision

"Leadership and excellence in higher education and scientific research at the regional and international levels."

Behind the scenes at the UAE's oldest university

August 30, 2015

The oldest higher education centre in the country, UAEU was founded in 1976, only five years after the country was born. In comparison, the Higher Colleges of Technology were established 11 years later in 1988, and Zayed University in 1998.

Young innovators of the UAE's science scene - in pictures

August 29, 2015

There is no challenge too great for the young minds across the country who are determined to solve some of the world's most pressing issues. From using body temperature to power devices to creating sand that can address UAE's water issues, pupils as young as 13 through to university have stepped up to the plate to create for a better future.

University Mission

"Make a positive contribution to the advancement of United Arab Emirates by preparing graduates for future leadership, providing quality education that meets international standards, developing research solutions in areas strategic to the nation, and collaborating effectively with other organizations to promote knowledge in the society."
