4. Professional Doctorates

Overview

Outlines the framework that governs students' pathway to graduation from a professional Doctoral degree program.

Scope

Applies to all professional Doctoral degree programs offered by UAEU.

Objective

The University is committed to the highest academic and administrative standards in the operation of its graduate programs. This Policy and its related Procedures provide the structures and processes required to manage student application, admission, progress and graduation with respect to professional Doctorates offered by the UAEU.

Policy

1. The University adopts a common framework for the operation of Professional Doctorate programs to ensure that common standards and due process apply to student application, admission, progress and graduation from all professional Doctoral degree programs of the University.
2. Professional Doctorate programs are given effect by this Policy and its related Procedures. The Procedures are the shared responsibility of the respective Colleges hosting Professional Doctorate programs, the Graduate Studies Council and the Dean of the CGS.
3. Supplementary Rules and Regulations for individual Professional Doctorate programs may be proposed by Colleges as appropriate to the Program in the respective College. Supplementary Rules and Regulations must not contradict and cannot annul any part of these Policies and Procedures. The Graduate Studies Council and possibly the Academic Council must approve any related Rules and Regulations for a College before their implementation.
