Policy Responsibility: Secretary General	Page Number	7/63

	Secretary General		
	Under Article 10 of the Executive Regulation concerning the University Chancellor		
	Resolution No. 116 of 2004, the University's Chancellor shall, on proposal by the		
	University's Vice-Chancellor, issue such resolutions determining the policies of the		
	University in the various fields. The objectives of the policies shall include:		
	1. To lay the required standards and regulations governing all the aspects in connection		
	with the operations of the Human Resources Department at the University;		
	2. To provide a framework to coordinate the procedures of the Human Resources		
	Department as applicable at the University;		
	3. To protect the University's interests and to safeguard its assets by setting out clear		
	concise rules that will be followed and observed when executing HR related		
	transactions.		
	4. To create corporate environment full of job security, confidence and job flow		
	efficiency within the various departments and sections of the University, in such		
	manner as to support the essence of the operations and activities of the University; and		
	5. To improve the University's capabilities in adopting the best means and practices in		
	planning to attract, designate, nominate and appoint highly qualified, experienced and		
	efficient personnel.		
	•		
0.4	Use of the Policies		
1.	The Secretary General shall be the reference for these policies.		
2.	All transactions included in these policies shall operate within the framework of the		
	the relevant Signing Authority Matrix, herewith attached. The Signing Authority		
	Matrix shall identify the appropriate signature authority for activities in connection		
	with human resources at the University.		
	·		
3.	The Director of the Human Resources Department shall be fully responsible for the		
	execution and implementation of the policies, operations and procedures of the human		
	recourses at the University.		
	Too our soo are the control of the c		
4.	Requests for updating the policies (addition/ deletion/ amendment) may be received		
	from any users of these policies. The user may submit a formal request in writing to		
	the Director of the Human Resources Department, describing the suggestions and		
	rationale for such change.		
	Tutionale for buch change.		
5.	The Director of the Human Resources Department shall be in charge of the		
	recommendation to amend and update these policies as they constitute an important		
	document that should be reviewed and updated periodically. The Human Resources		
	Department shall review these policies and propose required amendment by addition,		
	deletion or update periodically according to the new conditions in the Work		
	detection of appears periodically according to the new conditions in the work

	environment and to accommodate all such conditions and circumstances that may occur to the laws, ordinances, executive regulations and ministerial resolutions issued, provided that requests or updating, including the updating proposals and reasons, shall be provided to the Secretary General.
6.	The Human Resources Committee shall consider the proposals for policies' amendment provided by the Secretary General explaining the updating proposals and reasons, in order that the policies are updated after securing the University's Vice-Chancellor and Chancellor's approvals and present them thereafter to the University Council.
7.	The Director of the Human Resources Department shall submit reports to the University's Secretary General in connection with the events of not observing the policies by the personnel of the University.
8.	The Director of the Human Resources Department is considered responsible for determining the rules guaranteeing compliance to the Human Resources policies.
9.	The University's Vice-Chancellor shall issue, upon a proposal made by the University's Secretary General, the procedures accompanying such policies.
10.	The polices shall be published through the University website.
1.	Workforce Planning and Recruitment
	Overview
**	This Section shall cover the policies relating to the workforce planning, internal Transfer through recruitment, external Transfer, job description, position grades, evaluation, appointment, training and development conditions Assignment by additional functions, Secondment and external Delegation.
1.1	Workforce Planning
	Scope of Application
	This policy shall apply to all divisions, colleges and departments of the University.
	Objective
**	The University is committed to recruiting suitable employees, for the suitable positions

Human Resources	Policy No.	Sr. No.
Policies	Policy effective date	01/01/2015

	Secretary General		
	in an efficient and effective manner. The objective of this policy is to outline how staffing requirements are planned in advance to achieve the University business objectives and assist in the University towards managing the employment of an optimum level of human resources with the required skills.		
	Policy		
1.**	Planning the human resources requirements from the workforce is a major element of the assessed budget and as a result, attention shall be paid so that the assessed budget for human resources reflects the true needs of the University.		
2.**	The policy of the University shall require planning of its future requirements of workforce every Year, so that the procedures for workforce planning shall rely on the strategic objectives of the University and the different plans of the departments and initiatives to achieve these objectives. The planning shall also rely, on a main basis, on the number of the students, the nature of the curricula and the scientific research activities of the University. The plan of the workforce shall determine the number, cost, required skill and the timeframe for each job, and highlight areas of future growth plan.		
3.	The scientific vision of the University shall be taken into consideration upon determining the financial budget and the annual discussions between the scientific and administrative sectors, and the anticipated future growth of the University is the basic drive to prepare the anticipated assessments for the future University Year (Years) requirements.		
4.	The heads of the organizational units shall determine and assess their needs from the workforce according to the Work plans laid and the objectives to be achieved and the development of administrative Works and the extent of effect thereof on the number of the personnel, the skills, experiences and levels of qualification as required to achieve such objectives, in addition to relying on promotions, job nationalization plans, replacement of personnel and any changes in the operations or introducing a new technology.		
5.	The University's Vice-Chancellor or his/her designate shall approve the workforce plan for each year, and the required budget allocated for the organizational units shall be determined by University's deputy vice-chancellor in each division according to the approved budget.		
6.	The applications for new positions or amendments to the current positions, whether by merging or deleting positions, shall be consistent with the approved plans of the

workforce of each of the regulatory units of the University within the approved budget for these positions.  Exceptional circumstances, due to sudden unexpected resignation or new projects, may require ad-hoc recruitment to address these exceptional circumstances.  The recruitment requirements shall be approved according to the established signing authority, provided the Human Resources Department shall be notified thereof at the earliest. Upon such approval, such position shall be listed in the workforce plan for future planning purposes.  The Human Resources Department shall follow up the application of the workforce plan at all organizational units of the University.  Employment  Scope of application  This policy shall apply to all sectors, faculties and organizational units of the University.  Objective  The recruitment policy shall aim to explain the applicable principles to ensure best suited candidates for positions at the University and confirm that the scientific qualifications, service, skills and knowledge of the job requirements of such candidates are compliant to ensure efficiency and effectiveness in job performance.  Policy  All the required positions shall be listed in the approved budget of the workforce plan. In connection with the creation of a new unlisted job, this requires the approval of the University's Vice-Chancellor upon referring it to the University's Chancellor.  The University shall adopt fair and consistent methods for recruitment and selection to choose the most appropriate candidates who satisfy the job requirements. Within the scope of the cultural and legislative framework of the State, selection methods and employment shall be completely free of any discrimination.		Secretary General

1.4*	Job Description/ Classification/ Evaluation
	Scope of Application
	This policy shall apply to all positions within the University.
	Objective
	The objective of this policy is to determine the directions to prepare and amend the job description, and classifying and evaluating positions.
	Policy
1.	The Human Resources Department is the entity in charge of preparing the job description for each position based on the approved job description format. The job description shall be developed based on the evaluation of the positions. If there is any desire to amend an existing position, it shall be recommended to approve the job description card by the Direct Superior of the job position and then the Human Resources Department shall approve it.
2.**	The job description shall include evaluation of the new positions or any significant change of the existing job description.
3.	The job evaluation shall be based on the feedback received from the relevant college/department with collaboration with Human Resources Department and others relevant stakeholders.
4.**	The job description shall be rewritten or updated when there are significant changes in the organizational or job structure of the University or change in the duties and responsibilities of the various positions or in the event of creating new positions.
5.**	The job courses of the jobs at the University, other than the members of the teaching staff, shall be approved under a resolution by the University's Vice-Chancellor.
1.5	Terms of Appointment
	Scope of Application
	This policy shall apply to all the employees of the University.

1.6	Training and Development
	Scope of application
	This policy shall apply to all staff employees other than faculty members and instructors of the University.
	Objective
	The University shall retain qualified trained human resources and shall also train its personnel and develop their knowledge, skills and capabilities in the jobs they occupy or in the higher jobs positions they are scheduled to undertake duties and responsibilities thereof, in accordance with the training, development and performance system approved by the University.
	Policy
1.	The Human Resources Department shall lay annual plans for training and qualifying the personnel in all job levels, in the light of the results of the performance evaluation and the analysis of the training requirements, as required.
2.	The annual training needs for all the personnel of the organizational units shall be determined and analyzed to achieve the objectives of the University.
3.	The Human Resources Department shall prepare an annual training plan and the total budget for training and development, including that includes all the assessed costs of the training and development programmes proposed to be performed during the year. The training plan shall be approved by the University's Vice-Chancellor.
4.	The Human Resources Department shall be in charge of performing and assessing the annual training and development plan upon approving its budget allocations.
5.	The Human Resources Department may amend the annual training and development plan at any time for any reason whatsoever, as required for the interest of the Work, on proposal by the relevant organizational unit in coordination with the Human Resources Department, as approved by the competent authority, provided that the total amount of the approved training budget shall not be exceeded.
1.7	Financial Remuneration for those on Acting Duties and Assignment with Additional Duties or Delegation within the University

Human Resources	Policy No.	Sr. No.
Policies	Policy effective date	01/01/2015
	Policy last revision	01/11/2015
Subject:	Date of next Policy revision	02/01/2017
Policy Responsibility: Secretary General	Page Number	19/63

	Coope of Application
	Scope of Application
	This policy shall apply to all staff employees of the University.
	Objective
	The objective of this policy is to explain how to compensate Employees of the University when assigning them with additional duties or Delegation to positions on a full time basis.
	Policy
1.7.1	Occupying Jobs by Assignment with Additional Duties
1.	The Allowance for Assignment aims to remunerate staff employees, assigned temporarily to perform main duties of a higher position grade or of a similar salary, in addition to his/her original job, i.e. that the employee performs the duties of his/her usual duties plus significant additional levels during his ordinary working day. In the event of Assignment with a job, an employee assigned to such job shall be granted 12% of the adjusted salary of the position grade assigned thereto or 12% of employee adjusted Salary, whichever is higher.
2.	For payment of financial remuneration against the Assignment of an employee other than the teaching staff, it is conditional that the Assignment resolution is issued by the respective appointing authority, provided that the term of Assignment shall not be less than three months and no longer than six months, renewable.

	completed the academic Year up to the date of commencing the leave, as set out in the University calendar.
C.	In respect of the annual leave for the Employees other than members of the teaching staff, the following terms and conditions shall apply:
-	The Employees other than members of the teaching staff shall be entitled to an annual leave for each contractual Year: 40 working days for grades three (3 and above, 30 working days for grades four (4) to six (6) and 25 days for grades seven (7) and below.
_**	An Employee other than members of the teaching staff shall take his annual leave in the same Year in which the Employee is entitled to such leave. However, the leave not taken by the Employee shall be carried forward to the next Year, provided that it shall not exceed the leave of the Employee for two Years. The Direct Superior of the Employee may refuse to grant the leave for Work needs. In such event, the Employee may, subject to the approval of the Human Resources Committee, receive cash in lieu (the Adjusted Salary plus the Complementary allowance) for the period of the leave refused.
-	The Employee and his Direct Superior shall be responsible for the use of the leave allocated in the same Year in which the Employee becomes entitled thereto. The final resolution scheduling the leave shall be within the authority of Direct Superior to ensure that the Work needs of the University are satisfied.
-	Employees other than members of the teaching staff are not permitted to use the annual leave during the Probationary Period, other than by such exclusion granted by the Direct Superior and the director of the Human Resources Department.
-	Upon termination of the service of an Employee, the value of the balance leaves shall be paid with the final settlement of the financial dues of the Employee, calculated on the basis of the adjusted Salary plus the complementary allowance
2.	Urgent Leave
	The Employee may cease to Work for four fully paid working days during the contractual Year/ university Year, provided that such leave shall not exceed two working days each time, for such urgent reason acceptable to the Direct Superior.

	Secretary General	
	Policy	
1.	The Grievance shall be filed in the following circumstances:	
A.	When an Employee wishes to raise an issue related to the terms and conditions of his/her employment;	
B.	When an Employee wishes to raise an issue related to any aspect of personal Work relationships within the University.	
C.	When an Employee feels any manifest injustice or abuse against him/her, without any justifying reason.	
D.	When an Employee feels injustice based on a Performance Evaluation (requires improvement).	
2.	The Employee shall initially notify his Direct Superior if there is any grievance issue.	
3.**	Where the issue is not resolved through the Direct Superior, the Grievance may be raised to the respective dean/ director immediately under the Direct Superior.	
4.	The respective dean/ director shall review the subject matter of the Grievance and shall reach a resolution in respect thereof within five working days. The relevant Employee shall be notified in writing of such resolution.	
5.	In the event the Employee is not satisfied with the result/ resolution or if such result/ resolution is not reached within the period as provided by the preceding clause, the Employee may appeal the Grievance before the Director of the Human Resources Department. Human Resources director shall refer the issue to the Human Resources Committee to provide its recommendation to the of the University's Secretary General, whose resolution shall be considered as final.	
4.2	Disciplinary Procedures	
	Scope of Application	
	This policy shall apply to all employees other than members of the teaching staff.	
	Objective	
	1 1	

Human Resources	Policy No.	Sr. No.
Policies	Policy effective date	01/01/2015
	Policy last revision	01/11/2015

Policy Responsibility: Secretary General	Page Number	43/63

	The objective of this policy is to acquaint all the Employees of the expectations of the University in connection with performance and conduct, whether inside or outside the workplace. The policy also aims at specifying the corrective disciplinary procedures which will be taken to address the unacceptable conduct.
	Policy
1.	The Employee shall behave decently in accordance with the standards of conduct as per the code of ethics and professional conduct in these policies, and comply with the applicable laws of the UAE. Any Employee that may breach the duties of his job as provided under these policies shall be subject to disciplinary measures according to the disciplinary penalties as provided by Clause 7 below, subject the civil or criminal liability, as applicable.
2.	The Employee shell not be exampted from the disciplinary papelties unless the
2.	The Employee shall not be exempted from the disciplinary penalties unless the Employee proves that committing the job related breaches was in execution of an order issued by his/her Direct Superior despite drawing his attention in writing to such breach. In such event, the issuer of the order shall be responsible.
3.	Any gross misconduct acts shall be subject to a preliminary investigation, whether listed in the "code of ethics and processional conduct" of these polices or not.
4.	No disciplinary penalty may be imposed until a written investigation is made, whereby the Employee is given the appropriate opportunity to hear his statements and to investigate his defence.
5.	No Employee may be punished for the same act and breach more than once and no penalty may be imposed against the Employee more than once.
6.	Preliminary investigation
-	
A.	The Direct Superior shall hold a preliminary investigation in connection with such breach committed by any of his staff, known to him by way of complaint, inspection or otherwise, provided that such breach is questionable.
В.	The preliminary investigation may be verbal, provided that its content is stated in the letter of reference. If the investigation is in writing, a photocopy of the letter of reference shall be attached.

C.	If the direct Supervisor finds such evidences or presumptions that the Employee has committed the breach, the issue shall be referred to the University's Vice-Chancellor, according to the administrative hierarchy, to resolve either to set aside the breach or to refer it to such Investigation Committee formed for such purpose or to the Breaches Committee.
D.	In application of the provisions of the preceding Clause (C), and except those appointed under federal decrees or under a resolution by the Cabinet, the University's Vice-Chancellor shall issue such resolutions in connection of the personnel of the grades two (2) and above, upon reference to the University's Chancellor.
7.	A committee called the "Breaches Committee" shall be formed to consider breaches committed by the Employees, - except breaches related to official working hours reserved to the Direct Superior as per the applicable internal rules and regulations at the University- the Breaches Committee shall solely impose the following disciplinary penalties except the penalty of dismissal from service:
A.	Notice in writing
B.	Warning in writing
C.	Deduction from the Adjusted Salary for a period of time not exceeding 10 days per breach, and without exceeding 60 days in any Year; and
D.	Recommendation for dismissal from service, reserving the right to pension on retirement or the end of service gratuity, or deprivation from either of them within the limit of one fourth. In such event, the committee shall refer its recommendations to the respective appointing authority.
8.	The Breaches Committee shall be formed under a resolution by the University's Vice-Chancellor. The Breaches Committee shall consist of the University's Secretary General or his/her designate as chairman, a member of the teaching staff from the college of law and the Director of the Human Resources Department as members and a secretary to prepare for the meetings and to write down its minutes and resolutions.
9.	At all events, no member of the Breaches Committee may be the Direct Superior or the person that conducted the investigation at any former stage or had clear conflict of interest.

	Secretary General	
10.	Procedures on referring the Employee to the Breaches Committee:	
A.	The Breaches Committee receives a letter referring the Employee to the Breaches Committee by the University's Vice-Chancellor, stating the breach attributed to the Employee and the relevant evidences and presumptions.	
В.	The Employee referred to the Breaches Committee shall be summoned through a notice in writing and through email to the Employee. This to be signed by the chairman of the Breaches Committee, and sent to the Employee at his organizational unit, provided that the notice shall state the breach attributed to the Employee and the time and venue of the meeting to be held by the Breaches Committee, at least five working days prior to the scheduled date for of the meeting.	
C.	In the event the Employee fails to appear before the Breaches Committee, the Employee shall be re-notified through the same procedures and another date to be set for employee to appear before the Breaches Committee is scheduled, provided that the Employee is to be notified at least three working days prior to the date of the next meeting as scheduled.	
D.	If the Employee fails to appear before the Breaches Committee after the second notice, without any excuse acceptable to the committee, it may dispose of the investigation in his absence, after ensuring that the Employee became aware of the notice.	
11.	The Breaches Committee shall, prior to imposing the penalty, clearly inform the Employee of all the facts attributed to him and the evidences confirming the occurrence of the breach. The Breaches Committee shall also enable the Employee to inspect all the papers and give him such adequate time to prepare his defence memorandum.	
12.	Dismissal of the investigation: the Breaches Committee shall dismiss of the investigation as follows:	
A.	To set aside the investigation as the Employee referred to investigation has not committed the breach, or if a the breach attributed to him does not require a disciplinary penalty, or due to insufficient evidence.	
B.	To confirm the responsibility of the Employee referred to investigation for all or any of the breaches attributed to the Employee. In such event, the Breaches Committee shall issue its resolutions through the majority and shall be approved

	by its chairman. In the event of parity, the side of the chairman shall have the casting vote, provided that the resolution is reasoned and consistent with the incident as established against the Employee referred to investigation, and includes one of the appropriate disciplinary penalties as provided by this policy, excluding the termination from service.
C.	The Employee shall be informed/communicated with the resolution concerning the penalty. He/She shall sign the resolution acknowledging receipt, and the relevant authority notified thereof. A copy of the resolution shall be kept in the Employee's file.
13.	The respective hiring authority may temporarily suspend the Employee referred to investigation from Work, for no later than three renewable months as required for the interest of investigation. The temporary suspension of the Employee from Work involves the suspension of payment of his/her Adjusted Salary effective from the date of suspension. If the investigation is resolved to be set aside, the Employee shall resume Work and the suspended part of his salary shall be paid to him.
14.	If the Employee referred to investigation is found to be responsible in full or in part for the breaches attributed to him and is thereby referred to the Breaches Committee. And upon the Breaches Committee decision to impose the penalty of written notice or written warning, the Employee shall resume Work and the suspended part of his salary shall be paid to him. However, if the disciplinary penalty involves deduction from the salary or termination of services, the Breaches Committee shall determine such procedures in connection with the salary suspended.
15.	The Employee may object to the resolution issued by the Breaches Committee by filing a Grievance in writing to the University's Chancellor for grades two (2) and above or to the University's Vice-Chancellor for grades three (3), within two weeks from the date of receiving the Breaches Committee's resolution. The resolution by the University's Chancellor/ Vice-Chancellor in respect of the Grievance shall be final.
16.**	Employee recignation shall not prevent the university taking disciplinary
10.***	Employee resignation shall not prevent the university taking disciplinary procedures against him/her. The resignation shall not be accepted if the Employee has already been referred to the Breaches Committee.
17.	The disciplinary penalties imposed on an Employee shall be cancelled upon the expiry of the following periods:

	Secretary General
	The objective of this policy is to provide such guidelines for the payment of the end of service gratuity, the pension on retirement of the Employees whose services are terminated by the University and the contributions in the pension scheme.
**	Policy
1.	The end of service gratuity shall be payable to all Employees other than UAE nationals and other than GCC nationals, who have completed one contractual Year for staff or one academic Year in respect of the members of the teaching staff according to the contracts made with them.
2.	The Human Resources Department shall be responsible for the calculation of the end of service gratuity.
3.	The end of service gratuity shall be paid by cheque in favor of the Employee, except if bank clearance has not been obtained, in which case, the cheque shall be deposited into the Employee's bank account.
4.**	Employees shall be entitled to the end of service gratuity at the rate of the salary of one month per clear contractual Year/ academic Year and based on the final month last adjusted Salary of the service. Upon completion of the first Year, the Employee shall be entitled to the end of service gratuity for any term of service less than one full Year pro rata to the number of working days of such Employee during the Year.
5.**	In application of the provisions of Clause 4 above, a member of the teaching staff, who commences his/her work within one month from the date scheduled as the beginning of the academic semester as per the University calendar shall be considered to have commenced from the beginning of the academic semester.
6.	The days of absence from work without pay shall not be calculated in the term of service.
7.	The University shall deduct any amounts owing to the University from employee end of service gratuity.
