Off-Campus Programs and Activities

I. Policy

Instructionally-related off-campus work experiences, field trips, activities and research projects are all key elements of the University curriculum, providing interaction with local and international communities.

Permission of Parent or Guardian

A condition of enrollment in courses at the University is participation in all required instructionally-related activities. Before the student will be permitted to participate in any off-campus programs or activities, there must be a form on record, signed by the student's parent or guardian, authorizing participation in off-campus activities.

Placement of Interns

The University reserves the right to determine the placement of interns, without further permission of the parent or guardian.

Student Conduct Off Campus

The student is expected to demonstrate the same high standard of behavior required on campus while engaged in University sponsored or authorized activities off campus. The student is expected to obey any orders of the trip sponsor or chaperone.

II. Application of Policy

This policy shall apply to all students at the United Arab Emirates University.
