Procedures of Policy No. (14) - Research Involving Hazardous and Bio-Hazardous Materials/Processes

1. Institutional Safety Committee (ISC)

The University shall establish an Institutional Safety Committee (ISC) whose members shall be appointed by the DVCGRS.

2. Appointment of Environmental, Health and Safety Officer (EHSO)

The University shall appoint an Environmental Health and Safety officer (EHSO) who will be a member in the ISC.

3. Responsibilities of the EHSO and ISC

The EHSO officer and the ISC shall be responsible for ensuring University compliance with University Policies and Procedures and applicable UAE Laws in relation to safety and environmental health. In addition, the EHSO and the ISC shall monitor and inspect all University research facilities utilizing any hazardous or bio-hazardous materials and processes, and to recommend to the DVCGRS such actions as appropriate to ensure the health and safety of individuals.
