

UAEU Accredited Programs by CAA

Name of Academic Program (EN)	College	Type
Bachelor of Arts in Arabic Language and Literature	Humanities and Social Sciences	Bachelor
Bachelor of Arts in English Literature	Humanities and Social Sciences	Bachelor
Bachelor of Arts in History	Humanities and Social Sciences	Bachelor
Bachelor of Arts in Mass Communication Track: Journalism Track: Public Relations and Advertising Track: Radio Broadcasting Track: Television Broadcasting	Humanities and Social Sciences	Bachelor
Bachelor of Arts in Linguistics	Humanities and Social Sciences	Bachelor
Bachelor of Arts in Tourism Studies	Humanities and Social Sciences	Bachelor
Bachelor of Arts in Translation Studies	Humanities and Social Sciences	Bachelor
Bachelor of Arts in Psychology	Humanities and Social Sciences	Bachelor
Bachelor of Arts in Sociology	Humanities and Social Sciences	Bachelor
Bachelor of Social Work	Humanities and Social Sciences	Bachelor
Bachelor of Arts in Geography Track: Environmental Geography Track: Geoinformatics Track: Urban Planning	Humanities and Social Sciences	Bachelor
Bachelor of Arts in Political Science	Humanities and Social Sciences	Bachelor
Master of Science in Remote Sensing and Geographic Information Systems	Humanities and Social Sciences	Master
Master of Science in Clinical Psychology	Humanities and Social Sciences	Master
Master of Governance and Public Policy	Humanities and Social Sciences	Master
Master of Social Work	Humanities and Social Sciences	Master
Bachelor of Science in Mathematics	Science	Bachelor
Bachelor of Science in Physics	Science	Bachelor
Bachelor of Science in Chemistry	Science	Bachelor
Bachelor of Science in Biochemistry	Science	Bachelor
Bachelor of Science in Biology Track: General Biology Track: Cellular & Molecular Biology Track: Ecological and Environmental Biology	Science	Bachelor
Bachelor of Science in Geosciences	Science	Bachelor
Master of Science in Environmental Sciences	Science	Master
Master of Science in Chemistry	Science	Master
Master of Science in Mathematics	Science	Master
Master of Science in Molecular Biology and Biotechnology	Science	Master
Master of Science in Physics	Science	Master

Name of Academic Program (EN)	College	Type
Bachelor of Accounting	Business and Economics	Bachelor
Bachelor of Economics	Business and Economics	Bachelor
Bachelor of Finance and Banking	Business and Economics	Bachelor
Bachelor of Statistics	Business and Economics	Bachelor
Bachelor of Business Administration Track: Marketing Track: Human Resources Development and Management Track: Supply Chain Management and Logistics Track: Entrepreneurship Double Track: Any two tracks offered within the Bachelor of Business Administration	Business and Economics	Bachelor
Master of Business Administration	Business and Economics	Master
Master of Professional Accounting	Business and Economics	Master
Doctorate of Business Administration	Business and Economics	Doctorate
Bachelor of Law	Law	Bachelor
Master of Public Law	Law	Master
Master of Private Law	Law	Master
Doctor of Philosophy in Law	Law	Doctorate
Bachelor of Science in Horticulture	Food and Agriculture	Bachelor
Bachelor of Science in Marine Fisheries and Animal Science	Food and Agriculture	Bachelor
Bachelor of Science in Agricultural Resource Management	Food and Agriculture	Bachelor
Bachelor of Science in Food Science	Food and Agriculture	Bachelor
Bachelor of Science in Nutritional Science	Food and Agriculture	Bachelor
Bachelor of Science in Dietetics	Food and Agriculture	Bachelor
Master of Science in Horticulture	Food and Agriculture	Master
Master of Science in Food Science	Food and Agriculture	Master
Bachelor of Science in Civil Engineering	Engineering	Bachelor
Bachelor of Science in Chemical Engineering	Engineering	Bachelor
Bachelor of Science in Petroleum Engineering	Engineering	Bachelor
Bachelor of Science in Architectural Engineering	Engineering	Bachelor
Bachelor of Science in Electrical Engineering	Engineering	Bachelor
Bachelor of Science in Communication Engineering	Engineering	Bachelor
Bachelor of Science in Mechanical Engineering	Engineering	Bachelor
Master of Science in Civil Engineering	Engineering	Master
Master of Science in Mechanical Engineering	Engineering	Master
Master of Science in Electrical Engineering	Engineering	Master
Master of Science in Water Resources	Engineering	Master
Master of Science in Architectural Engineering	Engineering	Master
Master of Science in Chemical Engineering	Engineering	Master
Master of Science in Petroleum Engineering	Engineering	Master
Master of Engineering Management	Engineering	Master

Name of Academic Program (EN)	College	Type
Doctor of Medicine	Medicine and Health Sciences	Bachelor
Master of Public Health	Medicine and Health Sciences	Master
Master of Medical Sciences Track: Pharmacology and Toxicology Track: Microbiology and Immunology Track: Biochemistry and Molecular Biology	Medicine and Health Sciences	Master
Bachelor of Science in Information Technology Track: Computer Systems Design Track: Information Security Track: Intelligent Systems Track: Networking Track: Software Development	Information Technology	Bachelor
Bachelor of Science in Computer Engineering	Information Technology	Bachelor
Bachelor of Science in Computer Science	Information Technology	Bachelor
Bachelor of Science in Information Security	Information Technology	Bachelor
Master of Science in IT Management	Information Technology	Master
Master of Science in Information Security	Information Technology	Master
Master of Science in Software Engineering	Information Technology	Master
