I, Your Name < _____ >, Student ID < _____ >, the undersigned, fully understand that I am permitted to enroll into a graduate degree program at UAEU pending my submission of the required equivalency(ies) of my university degree(s) from the Ministry of Education of the United Arab Emirates, as required and according to the UAEU policies and procedures. Furthermore, I fully agree to the following:

2. UAEU is neither responsible nor liable for any matters, issues or circumstances related to my obtaining of the required equivalencies.
3. UAEU will not clear me for graduation from the graduate program in which I am enrolled and that I will not be entitled for a graduate degree from UAEU if I fail to submit the required official equivalencies by the time I complete the other requirements of my graduate program.
4. UAEU may cancel or suspend my enrollment or dismiss me from the University at any time due to not having the required official equivalencies in cases where the University is required to conform to new policies or governmental requirements.
5. If I am dismissed or am unable to graduate from UAEU due to my failure to submit the required equivalencies, I will not be entitled to any refunds or compensation of any dues or fees from the University.
