3. Academic Information
3. Academic Information

3-1 Academic Advising

The University College is responsible for ensuring that each College assigns a specific academic advisor to each student in the Foundation Program, and the Colleges must assign a specific academic advisor to each student appropriate to that student’s academic major and level.

Colleges will prepare and regularly update standard “Study Plan” forms for all majors/specializations including all applicable degree requirements. Colleges (or other enrollment/advising units as applicable) will provide individual students with a statement on their progress toward graduation on an annual basis. Colleges (or other enrollment/advising units as applicable) will provide organized academic advising programs and services for students prior to each registration period, and will normally require their students to participate in the advising process.

Students who alter their registrations in a manner inconsistent with the academic advice provided must recognize the potential for scheduling difficulties, delays caused by failing to take prerequisite courses in sequence, and other issues affecting their schedule, their academic progress, and their academic standing.

Students should submit requests of declare or changes in majors or specializations after a month from start of regular academic semester to the College Advising Unit and get the approval from Academic Department. The College Dean shall act on the request and inform the Registrar’s Office no later than the end of the first week of the subsequent regular academic semester. Students are allowed to change their academic major/specialization only once.

3-2 Student Academic Success Program

At UAEU, Academic Advising is an integral part of Undergraduate Education. Its purpose is to assist students in taking responsibility for their own learning, and develop meaningful educational plans compatible with their potential and their career and life goals. It includes helping students formulate important questions about their own aptitudes and interests and the best education pathway for each individual advisee. Advisors also assist students in discovering the many resources on campus and, more importantly, provide ongoing encouragement to students to use these resources consistently and with purpose.

Academic Advisors provide pre-major advising to students who have yet to declare a major. These students include foundation students as well as students taking general education courses.

Advisors direct students to courses they should take according to their respective study plan, assist students in deciding on a major, suggest academic assistance for struggling students, and explain relevant registration procedures and policies.

3-3 Undergraduate Admissions

The undergraduate admission policy states that:

- The University sets all requirements and standards for admission to the University within the context of applicable general requirements established by the University Council.

- Priority among academically qualified applicants will be given to Emirati citizens. Qualified international students will be considered for admission, subject to capacity and current policies of the UAE University.

- The University issues and announces the requirement for admission and documentation annually.

- All individuals seeking admission or readmission or transfer admission must submit a UAE University application for admission as described in the Admission Policy.

- Offers of admission made on an early or rolling basis are conditional, subject to verification of final documentation and eligibility.
As the University’s capacity to accept students may be constrained by resources and other factors, applicants are not guaranteed an offer of admission, even if they meet the published requirements and minimum standards for admission.

Admission to the University is selective and competitive based upon the applicant’s credentials and the instructional capacity of the University.

3-4 Initial Admission to the University

a. Initial admission to the University is to a particular College. However, a student may be required to complete the University Foundation Program before progressing to his/her intended degree program. Subsequent entry to the degree program is contingent upon:

- Completion of all applicable Foundation Program requirements and proficiencies;
- Acceptable student conduct and academic performance;
- Meeting all College requirements for the intended major; and
- The available instructional capacity in the College.

b. Students who have satisfied all Foundation Program requirements may proceed directly to the College.

c. Students are admitted to the University for a specific academic semester and are expected to register in that semester.

d. Students who do not register for classes in the academic semester for which they have been admitted will have their admission cancelled.

3-5 Registration and Add/Drop

- Two registration programs will be conducted for each academic semester:
  - Registration for continuing students.
  - Registration for new students.
- All students must register in the registration period at the times assigned to them.
- Students who fail to register by the end of the registration period will be considered on administrative leave of absence for that academic semester.
An Add/Drop period during which registered students can change their registration will be conducted for each academic semester.

Subject to course load requirements, students may add classes through the 1st week of a regular academic semester or the first two (2) class days of a summer semester. Subject to the requirements for full-time registration, students may drop classes until the end of the 4th week of a regular academic semester or 2nd through 5th class days or equivalent period in the summer semester.

Failure to register in the subsequent regular academic semester will lead to administrative dismissal, unless the student has applied for and been granted a leave of absence.

3-6 Course Registration for Currently Enrolled Students

Students who did not register during the early registration period without providing an excuse to the college, will not be allowed to register in the add and drop week of the Fall Semester.

Students who are currently under the second probation are allowed to register at the beginning of Fall Semester.

Each student should meet with his/her academic advisor prior to registering.

The student assumes total responsibility for his/her choice regarding courses and study plan.

Students in good academic standing may register 12 to 19 credit hours.

Students who are under the first probation cannot register for more than 13 credit hours.

Honors students and students who are expected to graduate in the Fall Semester may register for up to 22 credit hours with college approval.

Questions regarding section capacities, closed sections and all types of restrictions should be directed to your College Advising Units.

Students who will receive Probation by the end of the Spring semester must correct their registration during the semester’s add/drop period.

Student who are continuing and failed in any of their foundation year courses will have to correct their registration during the semester’s add/drop period.

3-7 Financial Aid

The Student Aid Fund (SAF) is established to serve University students who face financial difficulties. SAF is supervised by the Financial Aid Board and the SAF Treasurer. SAF is funded through various sources including:

a. Annual budget allocated by the University.
b. Donations, trusts and endowments.
c. Income returns from investing the SAF money.
d. Surpluses available from previous year’s fund.
e. Any other sources specified by the University for the SAF.
f. Fees collected for some University services.

3-7-1 Types of Financial Aid

a. Financial assistance for qualified students according to the current approved schedule for financial aid. The duration of such aid is determined on a case-by-case basis.
b. Charity and cooperative student programs approved by the Board.
c. Equipment loaned to students on scholarships and other entitled students who are receiving financial aid if such equipment (e.g. iPad or Laptop) is a requirement for the completion of studies. A rental charge may be charged according to the current approved schedule for financial aid if eligible.

d. A student shall not receive any financial aid if he/she works.
e. A student shall not receive any financial aid if he/she owns a car.

f. A student shall not receive any financial aid if his/her GPA is less than that required and announced.

g. Students may receive both financial and academic aid if they are eligible.

h. Students who receive financial support from other University departments are not eligible for financial aid.

3-8 Grading and the Quality Point System

At the end of each academic semester, a student’s performance in each course shall be given a grade on the basis of numerical values representing the cumulative performance overall assessment tasks in the course. The numerical score for the course is converted to and recorded as a letter grade as defined below. The following are authorized as final course grades/marks with associated Quality Points (QP) for GPA calculation (Grades with QP denoted as “Excl” are not included in a student’s GPA calculation):

4. Relevant Academic Information
4-1 Libraries

The University Libraries were founded with the establishment of UAE University, during the academic year 1977-1978. The goal of the University Libraries was to make information resources available to faculty members, students and community users, to participate in the country’s development and to assist in solving the various problems of a growing nation. Initially, the Dewey’s Decimal Classification was adopted and the work in Cataloging and Public Services was done using traditional manual methods. Regulations were first issued in June 1979, to authorize these services.

In 1988, the libraries began a new phase by automating some services, and established, with the aid of the Computer Center, an automated system for circulation. In 1990 the University was reorganized, and the Libraries Administration became the University Libraries Deanship. In 1992, the Libraries Deanship launched a major project to modernize its services, as well as to minimize cost and manpower requirements, by adopting a fully integrated library system that would both meet the needs of research and support the Deanship’s bibliographic standard. This plan led to two major achievements that took up most of the decade of the 90s, which are:

- Conversion of all library holdings from Dewey’s Decimal Classification to the Library of Congress system.
- Entering the data from these holdings into a bilingual database.

The University Libraries include these locations:

- Zayed Library, which serves all students and faculty, as well as outside users
- Main Library (Crescent Building), for faculty, staff and students.
- Falaj Library for men only.

4-2 Internet Access and E-mail

4-2-1 Wired Network

UAEU maintains a high-performance, fully redundant data network. All campus academic and administrative buildings are serviced by Ethernet network cabling. UAEU campuses, irrelevant of their geographical location, are joined together with a wired network infrastructure which comprises of various cutting-edge network technologies.

The wired network delivers basic Internet access to the entire staff, faculty and student body. Basic access provides a 100Mbps connection to the UAEU network and beyond, including the UAEU web server and web-based University applications such as Banner, Webmail, eServices, Blackboard, the portal at my.uaeu and many more.

4-2-2 My UAEU Account

Your UAEU Account gives you access to many IT services at the United Arab Emirates University (e.g. e-services, e-mail, Self-Registration, course booking, blackboard, access systems, etc.) through UAEU’s Single Sign-On service (SSO). SSO means that after your initial login, you can use the associated services without having to re-enter your username and password.

Your account credentials will be the primary information you will be using to access all available services, systems and computer labs on campus. Your UAEU account may be referred to as your Single Sign-On account (or SSO account), your Webmail account, your email ID, your Library account, etc.

All UAEU students will receive their unique UAEU account detail from the “Admission and Registration Department” once they join the university. All UAEU IT Services are accessed using this account.

With My UAEU Account you can access:

- Webmail, My.uaeu Portal, Computer Labs, desktop computers, Mobile Application, Blackboard, Shared Folders, eFax, SMS, Helpdesk/Support Portal, Faculty Homepage, Virtual Private Network (VPN), Unified Communication, SharePoint portal and e-services.
- The email system is user friendly and allows better and faster communication as it offers many features, which are not available in the current email system, such as:
  • Access to your e-mail, calendars and contacts using a variety of clients (Outlook, Entourage, Web) and devices (Workstations, Laptops, Mobile Devices) anywhere and anytime.
  • Familiar Microsoft Office Outlook experience using different devices and clients with no requirement for extra software or services.
  • Ability to share your Calendar with anyone.
  • The e-mail environment is fully redundant (highly available 24/7).
• The size of the mail boxes for Faculty and Staff will be increased from 300 MB to 2 GB and to 500 MB for Students.

• Integrated Antivirus solution that will detect viruses, even those in the mailbox.

4-3 Independent Learning Centers (ILC)
The ILC’s goals are to support students in their learning, assist them in becoming more independent in their studies and more confident in their academic abilities. The ILC provides a wide range of self-study resources to help students succeed in University Foundation Program classes, as well as offering a variety of workshops on topics related to study skills and personal development.
- Locations: Female Campus – C5-0020 / Male Campus – H4-0060
- Opening Hours: Sunday - Wednesday: 09:00 - 16:00, Thursday: 09:00 - 12:00
