

GLOBAL G.A.P.

GLOBAL G.A.P. is a non-for profit organization with an objective of safe and sustainable agriculture worldwide. The organization sets voluntary standards for the certification of agricultural products around the globe. More and more producers, suppliers and buyers are harmonizing their certification standards to match with Global GAP. GLOBAL G.A.P.'S vision is safe and sustainable food produced by passionate farmers for consumers all over the world. Already more than 130.000 farmers in more than 113 countries implemented and maintaining good agricultural practices according to the GLOBAL G.A.P. Standards worldwide.
