Year 1	1 (Fall)	English I Introduction to English Literature Reading: English 10: Introduction to English Literature Writing: English 10: Introduction to English Literature Speaking: English 10: Introduction to English Literature Listening: English 10: Introduction to English Literature	2 (Spring)	Math I Introduction to Algebra Reading: Math 10: Introduction to Algebra Writing: Math 10: Introduction to Algebra Speaking: Math 10: Introduction to Algebra Listening: Math 10: Introduction to Algebra	3 (Fall)	Science I Introduction to Biology Reading: Science 10: Introduction to Biology Writing: Science 10: Introduction to Biology Speaking: Science 10: Introduction to Biology Listening: Science 10: Introduction to Biology	4 (Spring)	History I Introduction to World History Reading: History 10: Introduction to World History Writing: History 10: Introduction to World History Speaking: History 10: Introduction to World History Listening: History 10: Introduction to World History	5 (Fall)	Art I Introduction to Art Reading: Art 10: Introduction to Art Writing: Art 10: Introduction to Art Speaking: Art 10: Introduction to Art Listening: Art 10: Introduction to Art	6 (Spring)	Physical Education I Introduction to Physical Education Reading: Physical Education 10: Introduction to Physical Education Writing: Physical Education 10: Introduction to Physical Education Speaking: Physical Education 10: Introduction to Physical Education Listening: Physical Education 10: Introduction to Physical Education	7 (Fall)	Music I Introduction to Music Reading: Music 10: Introduction to Music Writing: Music 10: Introduction to Music Speaking: Music 10: Introduction to Music Listening: Music 10: Introduction to Music	8 (Spring)	Foreign Language I Introduction to Foreign Language Reading: Foreign Language 10: Introduction to Foreign Language Writing: Foreign Language 10: Introduction to Foreign Language Speaking: Foreign Language 10: Introduction to Foreign Language Listening: Foreign Language 10: Introduction to Foreign Language	9 (Fall)	Computer Science I Introduction to Computer Science Reading: Computer Science 10: Introduction to Computer Science Writing: Computer Science 10: Introduction to Computer Science Speaking: Computer Science 10: Introduction to Computer Science Listening: Computer Science 10: Introduction to Computer Science	10 (Spring)	Health I Introduction to Health Reading: Health 10: Introduction to Health Writing: Health 10: Introduction to Health Speaking: Health 10: Introduction to Health Listening: Health 10: Introduction to Health	11 (Fall)	Environmental Science I Introduction to Environmental Science Reading: Environmental Science 10: Introduction to Environmental Science Writing: Environmental Science 10: Introduction to Environmental Science Speaking: Environmental Science 10: Introduction to Environmental Science Listening: Environmental Science 10: Introduction to Environmental Science	12 (Spring)	Philosophy I Introduction to Philosophy Reading: Philosophy 10: Introduction to Philosophy Writing: Philosophy 10: Introduction to Philosophy Speaking: Philosophy 10: Introduction to Philosophy Listening: Philosophy 10: Introduction to Philosophy	13 (Fall)	Religion I Introduction to Religion Reading: Religion 10: Introduction to Religion Writing: Religion 10: Introduction to Religion Speaking: Religion 10: Introduction to Religion Listening: Religion 10: Introduction to Religion	14 (Spring)	Language Arts I Introduction to Language Arts Reading: Language Arts 10: Introduction to Language Arts Writing: Language Arts 10: Introduction to Language Arts Speaking: Language Arts 10: Introduction to Language Arts Listening: Language Arts 10: Introduction to Language Arts	15 (Fall)	Math II Introduction to Algebra Reading: Math 11: Introduction to Algebra Writing: Math 11: Introduction to Algebra Speaking: Math 11: Introduction to Algebra Listening: Math 11: Introduction to Algebra	16 (Spring)	Science II Introduction to Biology Reading: Science 11: Introduction to Biology Writing: Science 11: Introduction to Biology Speaking: Science 11: Introduction to Biology Listening: Science 11: Introduction to Biology	17 (Fall)	History II Introduction to World History Reading: History 11: Introduction to World History Writing: History 11: Introduction to World History Speaking: History 11: Introduction to World History Listening: History 11: Introduction to World History	18 (Spring)	Art II Introduction to Art Reading: Art 11: Introduction to Art Writing: Art 11: Introduction to Art Speaking: Art 11: Introduction to Art Listening: Art 11: Introduction to Art	19 (Fall)	Physical Education II Introduction to Physical Education Reading: Physical Education 11: Introduction to Physical Education Writing: Physical Education 11: Introduction to Physical Education Speaking: Physical Education 11: Introduction to Physical Education Listening: Physical Education 11: Introduction to Physical Education	20 (Spring)	Music II Introduction to Music Reading: Music 11: Introduction to Music Writing: Music 11: Introduction to Music Speaking: Music 11: Introduction to Music Listening: Music 11: Introduction to Music	21 (Fall)	Foreign Language II Introduction to Foreign Language Reading: Foreign Language 11: Introduction to Foreign Language Writing: Foreign Language 11: Introduction to Foreign Language Speaking: Foreign Language 11: Introduction to Foreign Language Listening: Foreign Language 11: Introduction to Foreign Language	22 (Spring)	Computer Science II Introduction to Computer Science Reading: Computer Science 11: Introduction to Computer Science Writing: Computer Science 11: Introduction to Computer Science Speaking: Computer Science 11: Introduction to Computer Science Listening: Computer Science 11: Introduction to Computer Science	23 (Fall)	Health II Introduction to Health Reading: Health 11: Introduction to Health Writing: Health 11: Introduction to Health Speaking: Health 11: Introduction to Health Listening: Health 11: Introduction to Health	24 (Spring)	Environmental Science II Introduction to Environmental Science Reading: Environmental Science 11: Introduction to Environmental Science Writing: Environmental Science 11: Introduction to Environmental Science Speaking: Environmental Science 11: Introduction to Environmental Science Listening: Environmental Science 11: Introduction to Environmental Science	25 (Fall)	Philosophy II Introduction to Philosophy Reading: Philosophy 11: Introduction to Philosophy Writing: Philosophy 11: Introduction to Philosophy Speaking: Philosophy 11: Introduction to Philosophy Listening: Philosophy 11: Introduction to Philosophy	26 (Spring)	Religion II Introduction to Religion Reading: Religion 11: Introduction to Religion Writing: Religion 11: Introduction to Religion Speaking: Religion 11: Introduction to Religion Listening: Religion 11: Introduction to Religion	27 (Fall)	Language Arts II Introduction to Language Arts Reading: Language Arts 11: Introduction to Language Arts Writing: Language Arts 11: Introduction to Language Arts Speaking: Language Arts 11: Introduction to Language Arts Listening: Language Arts 11: Introduction to Language Arts	28 (Spring)	Math III Introduction to Algebra Reading: Math 12: Introduction to Algebra Writing: Math 12: Introduction to Algebra Speaking: Math 12: Introduction to Algebra Listening: Math 12: Introduction to Algebra	29 (Fall)	Science III Introduction to Biology Reading: Science 12: Introduction to Biology Writing: Science 12: Introduction to Biology Speaking: Science 12: Introduction to Biology Listening: Science 12: Introduction to Biology	30 (Spring)	History III Introduction to World History Reading: History 12: Introduction to World History Writing: History 12: Introduction to World History Speaking: History 12: Introduction to World History Listening: History 12: Introduction to World History	31 (Fall)	Art III Introduction to Art Reading: Art 12: Introduction to Art Writing: Art 12: Introduction to Art Speaking: Art 12: Introduction to Art Listening: Art 12: Introduction to Art	32 (Spring)	Physical Education III Introduction to Physical Education Reading: Physical Education 12: Introduction to Physical Education Writing: Physical Education 12: Introduction to Physical Education Speaking: Physical Education 12: Introduction to Physical Education Listening: Physical Education 12: Introduction to Physical Education	33 (Fall)	Music III Introduction to Music Reading: Music 12: Introduction to Music Writing: Music 12: Introduction to Music Speaking: Music 12: Introduction to Music Listening: Music 12: Introduction to Music	34 (Spring)	Foreign Language III Introduction to Foreign Language Reading: Foreign Language 12: Introduction to Foreign Language Writing: Foreign Language 12: Introduction to Foreign Language Speaking: Foreign Language 12: Introduction to Foreign Language Listening: Foreign Language 12: Introduction to Foreign Language	35 (Fall)	Computer Science III Introduction to Computer Science Reading: Computer Science 12: Introduction to Computer Science Writing: Computer Science 12: Introduction to Computer Science Speaking: Computer Science 12: Introduction to Computer Science Listening: Computer Science 12: Introduction to Computer Science	36 (Spring)	Health III Introduction to Health Reading: Health 12: Introduction to Health Writing: Health 12: Introduction to Health Speaking: Health 12: Introduction to Health Listening: Health 12: Introduction to Health	37 (Fall)	Environmental Science III Introduction to Environmental Science Reading: Environmental Science 12: Introduction to Environmental Science Writing: Environmental Science 12: Introduction to Environmental Science Speaking: Environmental Science 12: Introduction to Environmental Science Listening: Environmental Science 12: Introduction to Environmental Science	38 (Spring)	Philosophy III Introduction to Philosophy Reading: Philosophy 12: Introduction to Philosophy Writing: Philosophy 12: Introduction to Philosophy Speaking: Philosophy 12: Introduction to Philosophy Listening: Philosophy 12: Introduction to Philosophy	39 (Fall)	Religion III Introduction to Religion Reading: Religion 12: Introduction to Religion Writing: Religion 12: Introduction to Religion Speaking: Religion 12: Introduction to Religion Listening: Religion 12: Introduction to Religion	40 (Spring)	Language Arts III Introduction to Language Arts Reading: Language Arts 12: Introduction to Language Arts Writing: Language Arts 12: Introduction to Language Arts Speaking: Language Arts 12: Introduction to Language Arts Listening: Language Arts 12: Introduction to Language Arts	41 (Fall)	Math IV Introduction to Algebra Reading: Math 13: Introduction to Algebra Writing: Math 13: Introduction to Algebra Speaking: Math 13: Introduction to Algebra Listening: Math 13: Introduction to Algebra	42 (Spring)	Science IV Introduction to Biology Reading: Science 13: Introduction to Biology Writing: Science 13: Introduction to Biology Speaking: Science 13: Introduction to Biology Listening: Science 13: Introduction to Biology	43 (Fall)	History IV Introduction to World History Reading: History 13: Introduction to World History Writing: History 13: Introduction to World History Speaking: History 13: Introduction to World History Listening: History 13: Introduction to World History	44 (Spring)	Art IV Introduction to Art Reading: Art 13: Introduction to Art Writing: Art 13: Introduction to Art Speaking: Art 13: Introduction to Art Listening: Art 13: Introduction to Art	45 (Fall)	Physical Education IV Introduction to Physical Education Reading: Physical Education 13: Introduction to Physical Education Writing: Physical Education 13: Introduction to Physical Education Speaking: Physical Education 13: Introduction to Physical Education Listening: Physical Education 13: Introduction to Physical Education	46 (Spring)	Music IV Introduction to Music Reading: Music 13: Introduction to Music Writing: Music 13: Introduction to Music Speaking: Music 13: Introduction to Music Listening: Music 13: Introduction to Music	47 (Fall)	Foreign Language IV Introduction to Foreign Language Reading: Foreign Language 13: Introduction to Foreign Language Writing: Foreign Language 13: Introduction to Foreign Language Speaking: Foreign Language 13: Introduction to Foreign Language Listening: Foreign Language 13: Introduction to Foreign Language	48 (Spring)	Computer Science IV Introduction to Computer Science Reading: Computer Science 13: Introduction to Computer Science Writing: Computer Science 13: Introduction to Computer Science Speaking: Computer Science 13: Introduction to Computer Science Listening: Computer Science 13: Introduction to Computer Science	49 (Fall)	Health IV Introduction to Health Reading: Health 13: Introduction to Health Writing: Health 13: Introduction to Health Speaking: Health 13: Introduction to Health Listening: Health 13: Introduction to Health	50 (Spring)	Environmental Science IV Introduction to Environmental Science Reading: Environmental Science 13: Introduction to Environmental Science Writing: Environmental Science 13: Introduction to Environmental Science Speaking: Environmental Science 13: Introduction to Environmental Science Listening: Environmental Science 13: Introduction to Environmental Science	51 (Fall)	Philosophy IV Introduction to Philosophy Reading: Philosophy 13: Introduction to Philosophy Writing: Philosophy 13: Introduction to Philosophy Speaking: Philosophy 13: Introduction to Philosophy Listening: Philosophy 13: Introduction to Philosophy	52 (Spring)	Religion IV Introduction to Religion Reading: Religion 13: Introduction to Religion Writing: Religion 13: Introduction to Religion Speaking: Religion 13: Introduction to Religion Listening: Religion 13: Introduction to Religion	53 (Fall)	Language Arts IV Introduction to Language Arts Reading: Language Arts 13: Introduction to Language Arts Writing: Language Arts 13: Introduction to Language Arts Speaking: Language Arts 13: Introduction to Language Arts Listening: Language Arts 13: Introduction to Language Arts	54 (Spring)	Math V Introduction to Algebra Reading: Math 14: Introduction to Algebra Writing: Math 14: Introduction to Algebra Speaking: Math 14: Introduction to Algebra Listening: Math 14: Introduction to Algebra	55 (Fall)	Science V Introduction to Biology Reading: Science 14: Introduction to Biology Writing: Science 14: Introduction to Biology Speaking: Science 14: Introduction to Biology Listening: Science 14: Introduction to Biology	56 (Spring)	History V Introduction to World History Reading: History 14: Introduction to World History Writing: History 14: Introduction to World History Speaking: History 14: Introduction to World History Listening: History 14: Introduction to World History	57 (Fall)	Art V Introduction to Art Reading: Art 14: Introduction to Art Writing: Art 14: Introduction to Art Speaking: Art 14: Introduction to Art Listening: Art 14: Introduction to Art	58 (Spring)	Physical Education V Introduction to Physical Education Reading: Physical Education 14: Introduction to Physical Education Writing: Physical Education 14: Introduction to Physical Education Speaking: Physical Education 14: Introduction to Physical Education Listening: Physical Education 14: Introduction to Physical Education	59 (Fall)	Music V Introduction to Music Reading: Music 14: Introduction to Music Writing: Music 14: Introduction to Music Speaking: Music 14: Introduction to Music Listening: Music 14: Introduction to Music	60 (Spring)	Foreign Language V Introduction to Foreign Language Reading: Foreign Language 14: Introduction to Foreign Language
