

Special Needs Services

The Special Needs Services (SNS) Center ensures that all UAEU students with disabilities have access to educational opportunities equal to their fellow students. Students who suspect that they have a disability or who are referred to the Center for screening are encouraged to schedule a consultation appointment with the director of the Center in order to explore whether a formal evaluation for a possible disability is needed.

Any student with a documented disability may choose to access the services provided by the SNS by submitting the required registration forms. The SNS welcomes all inquiries about its services.

If a graduate student has a disability, it is helpful to let the Special Needs Services Center know as soon as the student joins the university. Following the student's contact with the Center, an initial "intake" interview will be arranged. The student will need to provide a completed Disability Support Application Form together with evidence of his/her disability, medical condition, or specific learning difficulty. Such as a doctor's letter or educational psychologist's report which contains a clear statement of the disability and recommended adjustments/accommodations.
