

OVERVIEW OF THE UNITED ARAB EMIRATES UNIVERSITY

Welcome to the United Arab Emirates University (UAEU) - the first and foremost comprehensive national university in the United Arab Emirates. Founded in 1976 by the late Sheikh Zayed Bin Sultan Al Nahyan, UAEU is a comprehensive, research-intensive university enrolling approximately 14,000 Emirati and international students. As the UAE's flagship university, UAEU offers a full range of accredited, high-quality graduate and undergraduate programs through nine Colleges: Business and Economics; Education; Engineering; Food and Agriculture; Humanities and Social Sciences; Information Technology; Law; Medicine and Health Sciences; and Science. With a distinguished international faculty, state-of-the-art new campus, and full range of student support services, UAEU offers a living-learning environment that is unmatched in the UAE.

As a research-intensive university of international stature, UAEU works with its partners in industry to provide research solutions to challenges faced by the nation, the region, and the world. The University has established research centers of strategic importance to the country and the region, which are advancing knowledge in critical areas ranging from water resources to cancer treatments.

UAEU is licensed by the UAE Ministry of Higher Education and Scientific Research and accredited by the Commission of Academic Accreditation (CAA) of the Ministry. Furthermore, academic programs in some of the Colleges have obtained specialized accreditation from various international bodies, which include ABET (Accreditation Board for Engineering and Technology) for Engineering, AACSB (Association to Advance Collegiate Schools of Business) for Business and Economics, and CQAIE (Center for Quality Assurance in International Education) for Education.

UAEU's academic programs have been developed in partnership with employers, so our graduates are in high demand. UAEU alumni hold key positions in industry, commerce, and government throughout the region. Our continuing investments in facilities, services, and staff ensure that UAEU will continue to serve as a model of innovation and excellence.

OVERVIEW OF GRADUATE STUDIES AT UAEU

Although the CGS is a relatively new organizational unit in the University, UAEU has a legacy of offering quality graduate education since 1991. Over the last decade, our menu of graduate programs has expanded significantly to over 30 graduate degree programs at the Master's and Doctorate levels with different orientations (professional and academic), which are offered by the nine different
