### MATRICULATION AFTER CONDITIONAL ADMISSION

Students who are admitted conditionally into Master's programs are expected to meet the admission conditions and matriculate fully into their programs within the allowed time limit as follows:

- 1) Students who are admitted on the English score condition: They must attain the required English test score (IELTS  $\geq$  6.0 or its equivalent) within the first semester of enrollment in order to matriculate and continue their study or be dismissed.
- 2) Students who are admitted on the GPA condition: They must attain a GPA of 3.0 or higher in the first 9 credits of their program or be dismissed.

Students who have any question or need clarification on this subject are urged to consult with their advisors, the College of Graduate Studies, or the Registration Department.

### ACADEMIC ADVISING AND PLANNING

Academic advising is provided to graduate students by designated faculty members who are associated with graduate programs in the colleges.

### Student Advisory Committee

Every graduate student must have an Advisory Committee, which consists of the student's faculty advisor and one or more faculty members. The membership of the Committee varies depending on the student's level (i.e. Master or Doctorate) and the program's orientation (i.e. academic or professional). The Committee, which is headed by the student's Advisor, is responsible for monitoring the student's academic progress and provides guidance for the student's timely and successful completion of the degree requirements. The student acknowledges the formation of the Advisory Committee by signing the "Advisory Committee" form prepared specifically for the student.
