Abstract

This study aims to identify the legal regime of sports care contracts in the UAE, although there is no special law governing care contracts in the UAE. This study is divided into two chapters. The first chapter is devoted to determining the legal nature of care contracts. The first section was devoted to research on the legal nature of care contracts and their distinction from other contracts. The second topic is devoted to research on the compatibility between care contracts and sports professional contracts. Competition . The second chapter of the research is devoted to research on the legal considerations of care contracts and the impact of the laws of the UAE on them, through two sections, the first of which came to discuss the legal considerations of the care contracts; the second section was devoted to talk about the impact of UAE laws on contracts care.
