B.SC. IN BIOCHEMISTRY UAEU

Biochemistry is the 'Chemistry of Life'.

It is central to all areas of the biological or life sciences.

Studying biochemistry provides an understanding of all aspects of the structure and function of life at the molecular level.

It is a laboratory based science that applies chemistry to biological systems.

Open Doors to Exciting Careers :

- Hospital labs
- Diagnostic and analytical labs
- University labs as technicians and TAs
- Food Control Authorities
- Biotechnology companies
- Pharmaceutical companies
- Ministry of Health
- Ministry of Education
- Science teachers - highschool level
- Research assistants in universities
- Dubitech companies - Dubai
- Emirates Biotech - Abu Dhabi
- Prepare for Graduate School
