

Conferences

1. Abdelghany, O.; Abu Saima, M. and Hashem, W. A.: Stratigraphy of the Jurassic Outcrops and Structural Setting at Wadi El-Bih, Vicinity of Ras El-Kheimah Emirate, UAE- 33rd International Geological Congress, 5-10 August 2008, Oslo, Norway.
2. Abd El-Gawad E. A.; Abdelghany O.; Lotfy M.; Abu Saima M. and Hashem W. A. (2008): Basin Analysis of the Jurassic Sediments in United Arab Emirates- 9th Annual UAEU Research Conference, Al-Ain , April 23-25, 2008.
3. Ahmed Murad (2008). Constrains and management practices of water resources in UAE. The First Conference on Water Policy and Associated Technological Challenges in Arid Dynamic Environments: The Special Case of Arabian Gulf Countries: "Bridging the gap between water science and policy making", Kuwait 28th -29th April, 2008.
4. Ahmed A. Murad (2008). Safeguarding declining water resources through minimization strategies. Watertech 2008, Crown Plaza Hotel, Dubai, 13-14 October, 2008.
5. Ahmed A. Murad (2008). Challenges facing the sustainability of conventional water resources in the United Arab Emirates (UAE). International Conference on Water Scarcity, Global Changes, and Groundwater Management Responses, 1-5 December 2008, University of California, Irvine, United States of America.
6. Ahmed Murad, Ayman El-Saiy and Hind Al-Nuaimi (2008). Determination of Water-Rock Interactions in Al Jaww Plain, East of Al-Ain Area, united Arab Emirates. The 9th Annual UAE Research Conference, Abstracts, p. 159, Al Ain Rotana Hotel, 21st – 23rd of April 2008.
7. Ahmed Murad, Hassan Garamoon and Hind Al-Nuaimi (2008). Assessment Groundwater Quality of Northern Limestone Aquifer of Wadi Al Bih Area in Ras Al Khimah Emirate, United Arab Emirates (UAE). The 9th Annual UAE Research Conference, Abstracts, p. 158, Al Ain Rotana Hotel, 21st – 23rd of April 2008
8. Ahmed A. Murad & Hind Al-Nuaimi (2008). Technical, Economical and Social Implications of High Water Demand at the United Arab Emirates (UAE).. Asia Oceania Geosciences Society (AOGS) 5rd Annual Meeting, Busan-Korea, 16th June – 20th June, 2008.
9. A. Murad, H. Garamoon and H. Al-Nuaimi (2008). Chemical and isotopic investigations-clues to sources of groundwater quality deterioration in Wadi Al Bih aquifer of Ras Al-Khaimah Emirate, northern part of the United Arab Emirates (UAE). The 33rd International Geological Congress, 6-14 August, Oslo, Norway.
10. Djeddi M. & Baker H.A. Geoelectrical signature of hydrocarbon-a case study. Proceeding of Near Surface Geophysics, September 2008.
11. Esam Abd El Gawad and M. M. Lotfy_2008.Source Rock Characterization of the Late Triassic – Jurassic Formations at Wadi Bih, UAE. Presented in the 9th international conference of the geology of the Arab World, 2008, 24-27 March, Cairo University., Egypt (GAWA 9).
12. Esam Abd El Gawad, O. Abdelghany, M. M. Lotfy, Waheed,H. and Abu Saima, M., 2008
13. Basin Analysis of the Late Cretaceous Sediments, UAE, Energy Conference and Exhibition, Athens, November 18 – 21, 2008.
14. F. Mahgoub and A. Murad (2008). Hydrogeochemistry characterization of Neima, Mubazzarah and Ain Bu Sukhanah areas in the west of southeastern part of Al-Ain area, United Arab Emirates (UAE). The 33rd International Geological Congress, 6-14 August, Oslo, Norway.
15. Mohamed Boukhary, Osman Abdelghany, Yasmine Hussein-Kamel, Salah Bahr, Abdulrazak Alsayigh and Mousheera Abdelraouf: Oligocene larger foraminifera from the United Arab Emirates, the Sultanate of Oman and NW Desert, Egypt. 33rd International Geological Congress, 5-10 August 2008, Oslo, Norway.
16. Sameh Y. Suleiman, Ahmed A. Murad & Ahmed S. El Mahmoudi (2008). Evaluation of agriculture activities on groundwater of Al-Foah Area, North of Al-Ain, United Arab Emirates (UAE).. Asia Oceania Geosciences Society (AOGS) 5rd Annual Meeting, Busan-Korea, 16th June – 20th June, 2008.
17. Issa, S. M., (2008). GIS Approach for Assessment of Human Footprint and Land Management: an example in the United Arab Emirates, XXI ISPRS Congress, Beijing 3 – 11 July 2008, China.
18. Issa, S. M., and Shuwaihi. A. (2008). Combined GIS and Remote Sensing Techniques for monitoring and predicting Al AIN City urban growth since 1970 and beyond 2007, 9th UAEU Research Conference, 23-25 April 2007. ALAIN, UAE.
19. Alaabed, S. (2008). Platinum group elements in the chromites of the UAE semai ophiolite. In: 33rd International Geological Congress, 6-14 August, 2008, Oslo, Norway.
