Degree Requirements

Required Degree

Specify accepted majors of the required degree: (Major 1:..., Major 2:..., etc)

Rich text editor toolbar with options: Bold (B), Italic (I), Underline (U), Font color (a), Background color (■), Bulleted list, Numbered list, Indent, Outdent, Link, Unlink, and a "Select block type" dropdown. The editor area is empty.

Bachelor
Master

A screenshot of the Quill.js editor toolbar. It includes buttons for bold (B), italic (I), underline (U), and text color (abc). There are dropdown menus for font family (showing 'inherited font') and font size (showing 'inherited size'). Icons for background color, text background color, bulleted list, numbered list, decrease indent, increase indent, link, unlink, and a 'Select block type' dropdown are also present. Below the toolbar, a small portion of the editor's content area is visible, showing a single line of text.

The image shows the Quill.js editor toolbar. The toolbar contains the following elements from left to right: a bold (B) button, an italic (I) button, an underline (U) button, a text color (abc) button, a font family dropdown (inherited font), a font size dropdown (inherited size), a background color button, a text background color button, a bulleted list button, a numbered list button, a link button, an unlink button, and a 'Select block type' dropdown. The editor area below the toolbar is empty.

The screenshot shows the CKEditor toolbar with the font and size dropdowns both set to '(inherited)'. The toolbar includes buttons for bold, italic, underline, font color, background color, bulleted list, numbered list, link, unlink, and a 'Select block type' dropdown.

The screenshot shows the CKEditor toolbar with the font family dropdown menu open. The menu lists various font families, with 'inherit' selected. The font size dropdown menu is also visible, showing 'inherit' as the selected option. The toolbar includes buttons for bold, italic, underline, link, unlink, and other formatting options.
