

## University Registrar's Office

أخي الطالب ، اختي الطالبة  
عند قيامك باختيار المساقات الدراسية المراد تسجيلها للفصل الدراسي الأول 2014/2015م يرجى مراعاة الجدول التالي ( مفتاح الامتحانات ) والذي يحتوي على مواعيد الامتحانات النهائية للمساقات وفقاً لمواعيد عقد المحاضرات. علماً بأن عدم مراعاة مفتاح الامتحانات سيؤدي إلى وجود العديد من التعارضات في تسجيلك لمواعيد الامتحانات النهائية في نفس اليوم وقد يصادف أيضاً أن تكون في نفس الموعد تماماً، وعليه فنود إعلامكم بأنكم تتحملون المسؤولية كاملة في حال عدم مراعاة التقيد بهذا الجدول عند التسجيل.

**ملاحظة:** في حالة وجود أكثر من امتحانين في اليوم الواحد (على الرغم من مراعاة جدول الامتحانات قدر المستطاع) فإنه يرجى مراجعة وحدة إرشاد كليتك قبل موعد الامتحانات بأسبوعين على الأقل وذلك بموع أقصاه الأربعاء 2014/12/31 للفصل الدراسي الأول 2015/2014م وذلك ليتم اختيار موعد بديل لأحد هذه الامتحانات.

## Dear Student,

Following is the Final Exams Key for the courses offered in the coming Fall Semester 2014/2015. The date and time of the final exam will be determined by the meeting days and scheduled starting time of the class.

You are required to check this key with the class schedule to make sure not to register in classes that have the same exam's date and time.

This key includes all the exams that will be held in the university including University Foundation Program UFP (UGRU) and colleges courses.

## Final Exam Schedule for Fall Semester 2014/2015

| Time of the Examination               |                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                                                                                                           |                                                                                                                                                                                            |

## \*Scheduled Starting time of class

## Procedure for Final Exam Overloads Fall Semester 2014/2015

**Final exam overload** is when a student has **more than two (2)** final exams scheduled on the same day in the official final exam schedule published by the Office of the University Registrar. When a student has a final exam overload (3 or more final exams scheduled on the same day), he or she has the **option** to request an alternate date within the final exam week to take the exam of one of the classes. **An alternate or make-up final exam date is not permitted for Common Exams.** The overload exam for which an alternate date is permitted is the regular course which has the highest **course number** regardless of the department offering the course (for example, MGMT 365 has a higher course number than HIS 224).

The alternate date and time for the overload final exam should be determined in consultation with the instructor and should not conflict with the student's other scheduled final exams. The alternate date may be during one of the identified "Make-up Exam" periods or at another time agreed upon by the student and instructor.

To receive an alternate date and time for a final exam overload, **the student must notify the instructor and the Advising Unit in his or her College in writing of the final exam overload and his or her request for an alternate final exam date at least two (2) weeks prior to the first day of final exams for that semester. For Fall 2014, this deadline is Wednesday 31/12/2014 if you have any questions or queries please do not hesitate to contact your college Advising Unit or the Registrar's Office.**
