Job Position/Title:	Masar – Emirati Graduate Development Programme	Academic Major:	Mechanical Engineering – Electrical Engineering -
Salary Range:	To be specified later	Years of Experience:	Fresh Graduate
Job Location:	Dubai	Job Type:	Graduate Development Programme leading to permanent employment
Nationality:	Only UAE Nationals	Gender:	Male or Female or Both
Job Description:	Dubai Airports introduces 'Masar Emirati Graduate Development Programme' As Dubai Airports' role within the community continues to grow, it is important for our company to make an investment in the future generations of Dubai and the UAE in general. With this in mind we have created "Masar... Emirati Graduate Development Programme". 'Masar ... Emirati Graduate Development Programme' is a path we are laying out for newly graduated Emiratis. It is a 12 month journey that will strategically develop and pave the way for the selected Emirati graduates by implementing the latest learning and development initiatives. This journey will equip the selected team with the necessary knowledge and experience to enable them to work successfully in the fields of Aviation and Engineering, among others. Masar is scheduled to begin in April 2012 and our first programme will feature eight Emirati Graduates who will be placed in various areas of Dubai Airports. CLOSING DATE – Sunday 25th March 2012 To apply: Email asra.siddiqui@dubaairports.ae the following: 1. Your current cv. 2. Include in your current cv your GPA (this is important). 3. A copy of your passport (we are a government company and this requires some security procedures). For your information - the process moving forward: 1. After the 25th March we will be shortlisting applicants for the various positions. 2. Unsuccessful applicants will be notified that they have not
