Job Position/Title:	Nutrition Intern	Academic Major:	Food & Agriculture
Salary Range:	Very Competitive Package	Years of Experience:	Fresh Graduate
Job Location:	Dubai	Job Type:	Full-time
Nationality:	Any Nationality	Gender:	Both

Job Description:

JOB SUMMARY

As a Nutrition Intern, you will be responsible for supporting the MedMEA Nutrition Manager and requires working closely with marketing, regulatory affairs and all other areas of the business both in Dubai and Europe. Additionally, you will be working closely with agency partners such as advertising, media and PR firms.

WHAT WILL I BE DOING?

- Enrich regional nutrition knowledge (local nutrition and health intelligence, government guidelines, nutrient intakes & needs, nutrition regulations in the GCC -labelling, health claims)
- Monitor scientific publications related to nutrition in the region and provide the team with key learnings. Source scientific data
- Support in building some materials to leverage our category credentials targeting different stakeholders (consumers, distributors, authorities, health care professionals, media)
- Assist in compliance with nutrition regulations and self-governance, localization of substantiation for claims (TV, print, web, POS)
- Supports in building a regional network of nutrition scientists, healthcare professionals (existing network welcome)
- Update and monitor kelloggnutrition.com (website for health care professionals) to be launched in the Gulf in 2015
- Support Breakfast for Better Days launch in Kuwait (and potentially other Gulf countries)
- Promote internal nutrition knowledge providing tools, training, trends, nutrition expertise
- Management of a nutrition database of Kellogg's products in the region, populating it with renovations and innovations
- Monitor nutrition changes in competitor nutrition profile and report on any trends
- Supports in answering consumer requests dealing with nutrition
- Propose / calculate the nutritional of recipes/breakfasts/snacks with our products, comparison with other traditional options
