JOB VACANCY FORM[®]

Job Reference No.: JV919

Company Name: WS Atkins

ATKINS

Company Type: Private

Job Position/Title:	Graduate Engineer	Academic Major:	Civil - Architecture
Salary Range:	Very Competitive Package	Years of Experience:	Fresh graduate or candidates with no more than 2 years of relevant experience
Job Location:	UAE, possibly within GCC	Job Type:	Full-time
Nationality:	UAE Nationals ideally but other nationalities are welcome to apply	Gender:	Both

Job Description:

Atkins is renowned for the expertise, experience and excellence of its people – and professional qualifications are at the heart of this reputation. Join our Graduate Development Programme and we'll offer you all the support, training and practical experience you need to achieve your chosen qualification and develop a career that will make the most of your potential.

In our structured 3 year program you will not only gain technical experience in your chosen field but you will have the opportunity to undertake placements in areas of Finance, Commercial, Legal, HR, QHSE, Site operations and marketing & communications as well as our Global Design Centre (India). This is designed to provide you the opportunity to network across Atkins; develop your business and interpersonal skills, as well as helping to identify your strengths and areas for development in your journey to becoming world leading engineers and Atkins future leaders.

You will be supported towards relevant internationally recognized professional institution (i.e. MIET, ICE, RIBA, IStrutE, IMechE) and provided with all the supporting infrastructure required in order to achieve professional status, both financially and through work experience & structured training.
