Job Reference No.: JVP018

Company Name: Emirates Aluminium (EMAL)

Company Type: Semi Government

Job Position/Title:	Graduate Trainee	Academic Major:	Communications – Civil & Environmental – Mechanical – Electrical – Chemical – Petroleum – Law – Chemistry
Salary Range:	31,800 AED	Years of Experience:	Fresh Graduate
Job Location:	Al Taweelah - Abu Dhabi	Job Type:	Full-time
Nationality:	Only UAE Nationals	Gender:	Male and Female
Job Description:	To train and prepare graduate trainees from colleges and universities for their target positions. The Graduate Trainee Program aims to develop high potential UAE nationals to become future leaders at EMAL. - The trainee will go through various training methods, and will focus on practical and leadership/supervisory skills. It is designed to provide the performance levels and competencies required to fulfill their targeted role. - Familiarization within the trainee's designated department for one month to gain a general knowledge about each section's functions and main responsibilities. - Orientation throughout all EMAL's departments for 6 weeks to get a basic understanding of the purpose of Aluminium Smelter's departments, each department's functions and the relationship between the trainee's department and other departments. - On-the-job training for the remaining period is geared towards their target position. Once the trainee has successfully completed the program he or she will move to their target position.		
Minimum Qualifications:	Bachelor Degree		
No. of Positions Required:	60		
Job Close Date:	Open Until Filled
