

Internship & Work-Integrated Learning Center (iWIL)**[Etihad Airways Recruitment Day](#)*****Employment Opportunities for UAE University Male Graduates!***

The iWIL Center and Etihad Airways organized a recruitment day for UAE University male graduates at Jeemi 1 Campus on Tuesday May 24th, 2011. Etihad officials presented the job vacancies available to student visitors, while interested graduates submitted their CVs and to the company.

This was a great opportunity for graduates and students to come face-to-face with officials from the national airlines of the UAE and present themselves and their CVs to the company.

The opportunities at Etihad Airways are still open and interested students can apply their CVs through the iWIL Job Navigator Page.

The iWIL Center thanks Etihad Airways and wishes UAEU graduates the best of luck in their future Careers.

Current Job Opportunities at Etihad Airways:**Cadet Pilot Program – open to all majors**

Etihad's UAE National Cadet Pilot Programme prepares eligible Emirati candidates for the role of pilot for its modern fleet. You'll be trained at Horizon International Flight Academy in Al Ain, UAE. The programme duration is 18 months.

On successful completion of the training, you will be granted a commercial pilot's license. And you'll be on your way to the top, starting your flying career as a Second Officer. You can look forward to flying state-of-the-art aircraft and meeting with one of the world's fastest growing airlines.

Graduate Management Program – open to all majors

Graduates will develop strong leadership capabilities and form a group of professionals who are prepared to meet rapidly expanding and evolving leadership needs in various departments within Etihad. This program includes rotational assignments/tasks in all key business areas; with people and/or project management responsibilities pairing with management professionals as well as periods of high intensity classroom training and self instruction.
