

Exciting Employment Opportunities for CBE Graduates

Dear CBE Graduates,

We would like to inform you that Jotun is looking for young and talented individuals who can form part of their “International Trainee Program.”

The objective of this trainee program is to hire young management graduates and take them through an intensive training in various international locations with the purpose of grooming them to take up strategic management positions after the training period.

Jotun Group is engaged in development, manufacture, marketing, and sales of various paint/coating systems, surface treatment products and powder coatings. Jotun has a global network and is represented in every continent through the production plants in Scandinavia, Europe, Middle East, Africa, Far East and Asia Pacific.

Duration: 18 months.

Two assignments abroad (4-6 months each).

Trainee programme start-up: August 2010

The company offers:

- A competitive compensation package.
- Individual tasks and responsibilities along with close mentoring and coaching from managers.
- Substantial on-the-job learning in different parts of the organization.
- Two assignments abroad.
- Support from local HR Departments as well as the Trainee Coordinator.
- Both personal and professional growth and a possibility to have an exciting career within a global company.

This is a great opportunity, don't miss it! Apply online by visiting
www.jotun.com/career.

Last date for applications is March 10, 2010.
