

Explore business careers at Microsoft.

The 'Microsoft Academy for College Hires'/ aka 'MACH' is Microsoft's graduate recruitment and development program that provides long term talent development for top new university graduates in our business. If you're interested in a business career in **sales or marketing** and are passionate about technology, we could help you realize your own potential with us!

When you're offered a full time graduate opportunity at Microsoft, you stand to receive world class learning and development. We'll help you to attain the tools to take on any challenge and the ability to deliver solutions with the power to touch the lives of people all over the world. With close to 2,000 MACH employees in over 50 countries, you'll get exposure to a global network of peers and the support to transition successfully from school to the working environment.

At Microsoft Gulf, while contributing to the business success, you'll have access to a graduate program that's designed to ensure that you receive targeted experiences, community engagement, mentorship opportunities, career development support and exposure to institutional knowledge through a customized development curriculum.

To qualify for MACH, you must:

- Be a final year student or a fresh graduate of a Business or IT related degree
- Have a GPA equivalent to 3.0 or above
- Be able to demonstrate a passion for technology
- Speak and write fluent English and Arabic
- Possess excellent communication and presentation skills as well as strong interpersonal skills
- Be a strategic thinker
- Be able to balance individual creativity with working as a team
- Have a high degree of customer focus

Microsoft supports workforce diversity and welcomes applications from Gulf National and Female graduates.
