

FMDHS NEWSLETTER

UAEU RESPONSE TO COVID-19

To prevent COVID-19 at workplace and ensure safety, FMDHS have developed guidelines including return to work instructions incorporating requirements set by UAE and Abu Dhabi regulatory authorities for Covid-19 prevention. This document was developed based on a Risk Assessment approach taking into consideration UAEU activities and the availability of resources across UAEU campus as part of normal day-to-day business Below are some control measures designed to meet legal requirements and best practices:
