

## SASP Skills Workshops

In response to the needs that undergraduate students face in the 21st century, the Student Academic Success Program of the UAEU University College has launched a new series of workshops based on the 21st Century Learning Framework ([www.p21.org](http://www.p21.org)).

SASP Skills builds upon the core subjects (3Rs and 21st Century Themes) being addressed by other programs and focuses its skills workshops on:

### Life and Career

- ✓ Flexibility
- ✓ Initiative
- ✓ Social
- ✓ Cross-cultural
- ✓ Productivity
- ✓ Accountability
- ✓ Leadership

### Learning and Innovation

- ✓ Creativity
- ✓ Innovation
- ✓ Critical Thinking
- ✓ Problem Solving
- ✓ Communication
- ✓ Collaboration

### Information – Media - Technology

- ✓ Information Literacy
- ✓ Media Literacy
- ✓ ICT Literacy

SASP Skills appeal to students' intrinsic and extrinsic motivations and enthruse them about the excellent workshops through initiatives such as:

- ✚ Engaging workshop style leading to word of mouth advertising
- ✚ Advertising through social media
- ✚ Popup notifications
- ✚ Prizes and a loyalty program
- ✚ Certificates leading to a 21st Century Learner Certification
