

Key Strategic Goals

- **Customer Focused & Service Oriented**

Deliver a first class, accountable and customer focused services that meet our community requirements at a justifiable cost.

- **Enable & Support Evolving Research Needs of UAEU**

Cultivate, Support and e-Research Philosophy with up-to-date tools and resources.

- **Collaboration & Efficiency Through Sharing:**

Enable easy, secure collaboration with partners at UAEU, with federal institutions and across the globe.

- **Support Excellence in Teaching**

Reorganize, enhance and support excellence in teaching and learning to both faculty and students by providing a wide-range of technologies to improve the learning experience.

- **An Adaptable Organization**

Create a culture of flexibility, professionalism, innovation and continually re-evaluate our division's focus.
