

Graduate Admission Application

Through an electronic application, and at their comfort, perspective students can submit an application for admission to any of UAEUS' 21 graduate programs. The new Banner Graduate Online Admission simplifies the process of applying to the University for Graduate Studies and provides the applicant the ability to fill

the application online and upload a copy of the required supporting documents. Once applications are received, applicants receive an email notification informing them of further required actions and information. Applicants can also check the status of their application online.

Graduate Transcript (Master & PhD)

An enhanced and easy to use Graduate transcript has been built. With minor configuration, the existing Master transcript can also be used for

other graduate degrees including PhD. This has reduced the number of transcript to support and maintain from 12 to 4.

Google Maps for New Campus

A customized & enhanced interactive UAEU Google Map for the new UAEU Maqam Campus. The map will help students, faculty, staff & visitors find their way around. The User friendly interface accompanies powerful search tools, where you can search for a specific building or facility.

Users can search for rooms, departments, faculties, Mosques/Praying areas, restaurants, sports facilities, book distribution kiosks, parking areas, bus stops, clinics, emergency exits and much more. The system also provides directions to get to different campuses with printable maps.

“ Building technical systems involves a lot of hard work and specialized knowledge, languages and protocols, coding and debugging, testing and refactoring. ”
