UAEU

Statistical Year Book 2014-2015

الكتاب الإحصائي السنوي 2014 – 2015

Planning, Academic & Institutional Development Department

After 31 years of publication, the UAE University Statistical Yearbook continues to be one of the principal sources of data for both internal and external University stakeholders. The statistical yearbook presents a "snapshot" of UAE University. The publication is produced annually by the Planning, Academic & Institutional Development Department (PAIDD) at the University and is intended to provide yearly statistics regarding students, graduates and staff.

In order to make information more readily available to all constituents, the PAIDD website provides an online version of this publication. The website is also a source of other valuable information related to the university. It can be accessed using the following address: http://www.uaeu.ac.ae/en/vc/paidd/ For more comprehensive information about the university the reader may visit the University website at: http://www.uaeu.ac.ae .

We hope that you will find value in this year's presentation of information on UAE University.

Educational Opportunities at UAEU

The UAEU has nine Colleges including College of Medicine. Collectively the nine College have about 45 departments or programs . The following table shows a list of the eight Colleges and their departments:

College of Humanities & Social Sciences

- Department of Arabic Language & Literature
- Department of History & Archaeology
- Department of Mass Communication
- Department of English Literature
- Department of Linguistics
- Department of Translation Studies
- Department of Philosophy
- Department of Geography & Urban Planning
- Department of Political Science
- Department of Social Work
- Department of Sociology
- Department of Psychology

College of Science

- Department of Mathematical Sciences
- Department of Physics
- Department of Chemistry
- Department of Biology
- Department of Geology

College of Education

- Department of Curriculum & Instruction
- Department of Foundations of Education
- Department of Special Education
- Department of Health and Physical Education

College of Business & Economics

- Department of Accounting
- Department of Economics & Finance
- Department of Business Administration
- Department of Statistics

College of Law

- Department of Public Law
- Department of Private Law
- Department of Sharia & Islamic studies

College of Food & Agriculture

- Department of Arid land Agriculture
- Department of Food Science
- Department of Agribusiness
- Department of Nutrition & Health
- Veterinary Medicine Department

College of Engineering

- Department of Civil & Environmental Engineering
- Department of Chemical & Petroleum Engineering
- Department of Architectural Engineering
- Department of Electrical Engineering
- Department of Mechanical Engineering

College of Information Technology

- Computer systems design track
- Enterprise systems track
- Intelligent systems track
- Software development track
- E-commerce track
- Information security track
- Networking track
