University vision

"Leadership and excellence in higher education and scientific research at the regional and international levels."

More Emirati students bridge the knowledge gap

August 3, 2015

Fewer young Emiratis are having to take expensive and time-consuming foundation courses to bridge the knowledge gap between school and university

At UAE University in Al Ain, the largest of the three state universities, the proportion of applicants who pass entry exams and begin degree courses straight from school has risen from 10 to 25 per cent.
