Energy-saving model developed at UAEU for the future of data

Published on 2 July 2018

A new model to save energy in cloud computing has been developed by researchers at the United Arab Emirates University (UAEU).

Research on Emirati dialect to help children in need of speech-language therapy

Published on 1 July 2018

Language disorders in Emirati children can be detected early because of a new project undertaken by researchers at the United Arab Emirates University in Al Ain. The university's Department of Linguistics has mapped out the Emirati dialect in a database.
