UAE university students win cyber warfare challenge

November 11, 2015

The 20 participating students were drawn from the UAE University, Abu Dhabi Polytechnic, Khalifa University and Shaikh Zayed University.

American aviation giant Lockheed Martin awarded a group of UAE University students for winning a cyber security competition in which four teams of students had to practise fending off a hypothetical cyber attack on an oil and gas facility.

University Mission

"Make a positive contribution to the advancement of United Arab Emirates by preparing graduates for future leadership, providing quality education that meets international standards, developing research solutions in areas strategic to the nation, and collaborating effectively with other organizations to promote knowledge in the society."
