

جامعة الإمارات العربية المتحدة
United Arab Emirates University

UAEU

University vision

"Leadership and excellence in higher education and scientific research at the regional and international levels."

UAEU researchers as part of a global task force that aims to tackle the problem of untreatable cancers and disease relapse: Non-toxic doses of chemicals found in plants and foods may be key

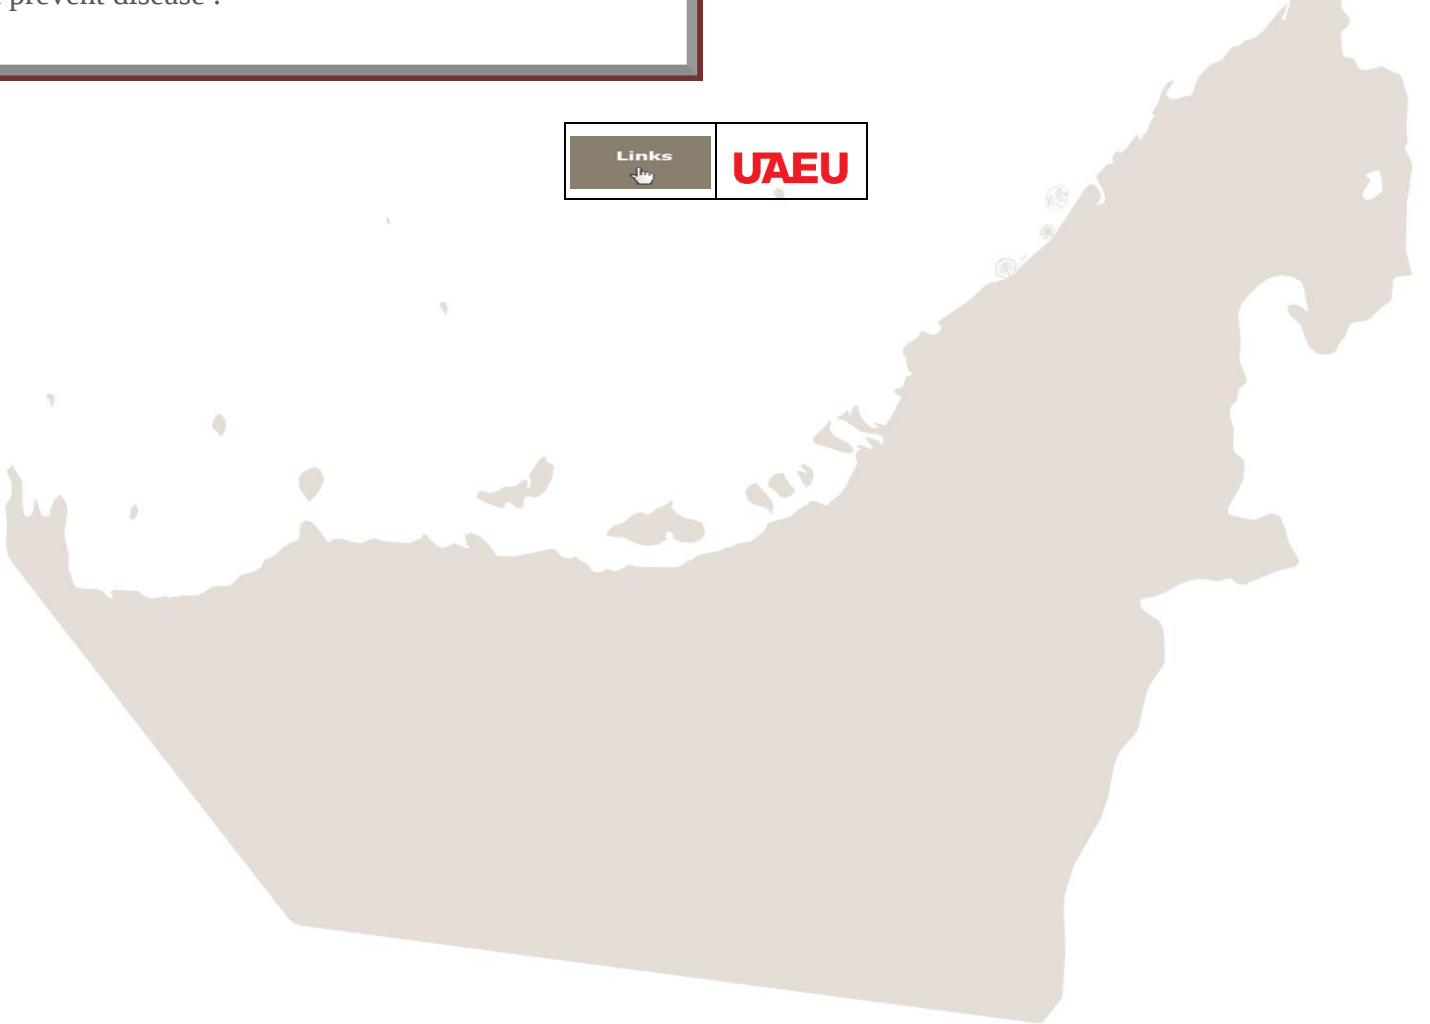

November 18, 2015

Combinations of a significant number of non-toxic chemicals, many of which can be found in plants and foods, may give us a chance to stop untreatable cancers and prevent disease .
