UAEU

University vision

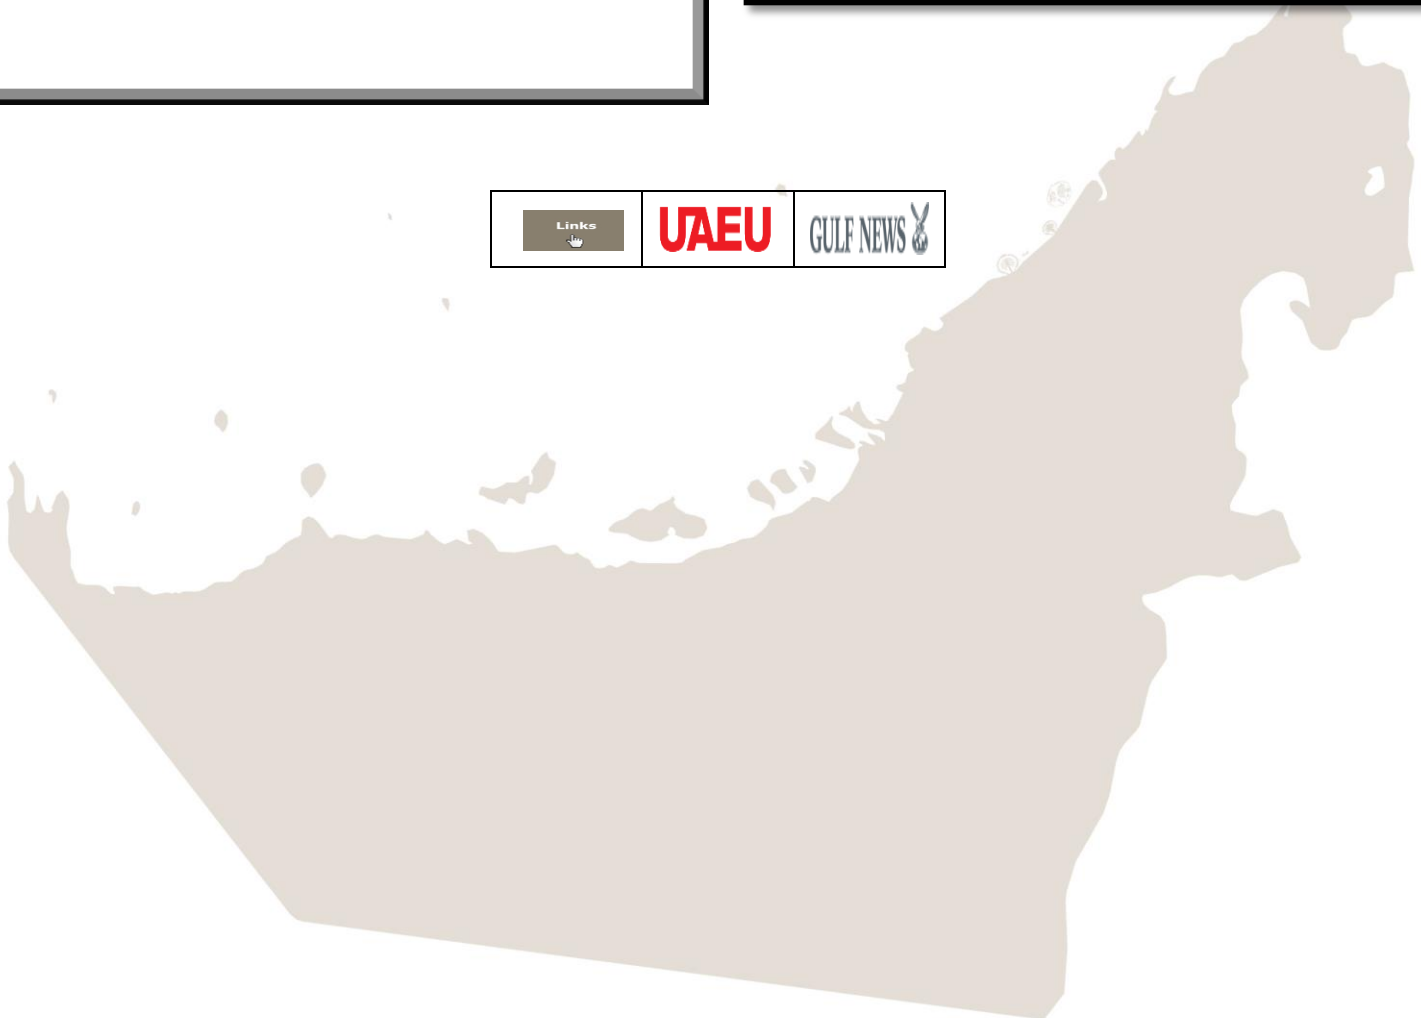

"Leadership and excellence in higher education and scientific research at the regional and international levels."

UAE UNIVERSITY GETS LICENSING FOR RADIOACTIVE MATERIAL USE

March 30, 2016

UAE University (UAEU) has been granted licensing approval from the Federal Authority for Nuclear Regulation (FANR) for the use of radioactive materials, marking another step towards building a capable national workforce for nuclear research.

University Mission

"Make a positive contribution to the advancement of United Arab Emirates by preparing graduates for future leadership, providing quality education that meets international standards, developing research solutions in areas strategic to the nation, and collaborating effectively with other organizations to promote knowledge in the society."
