University vision

"Leadership and excellence in higher education and scientific research at the regional and international levels."

The United Arab Emirates University becomes the first state university to receive international institutional accreditation in the region

March 07 , 2016

AL AIN, 7th March, 2016 (WAM) -- The United Arab Emirates University recently became accredited with the international accreditation body WASC Senior College and University Commission, WSCUC, for a 6-year term. This means the adoption of globally recognised standards in programmes and institutional processes and the assurance of certain qualities in educational policies.

University Mission

"Make a positive contribution to the advancement of United Arab Emirates by preparing graduates for future leadership, providing quality education that meets international standards, developing research solutions in areas strategic to the nation, and collaborating effectively with other organizations to promote knowledge in the society."
