UAEU receives eco-friendly patent

June 10, 2016

The United Arab Emirates University (UAEU) has received a patent for a new concrete composition of oil and industrial waste.

The patent is for the composition to be used in the hot areas and high salinity lands, from the Patent Office of Cooperation Council for The Arab States of The Gulf, and a patent from the US Patent and Trademark Office and from the offices of international patents in the European Union countries, Japan, the UK, Australia, and Canada.

IN PERSON: Meet Dr Lihadh Al-Gazali a pioneer of genetic study here in the UAE

June 11, 2016

There must be a mix of pride and uneasiness that comes with having a disease named after you. Burrill Bernard Crohn, James Parkinson and Alois Alzheimer are all brilliant doctors who had their names bestowed on health disorders they meticulously studied and helped bring to light. Dr Lihadh Al-Gazali, professor in clinical genetics and paediatrics at UAE University in Al Ain, knows the feeling all too well.
