University vision

"Leadership and excellence in higher education and scientific research at the regional and international levels."

MoU signed between MBRSC and UAEU to develop specialised Emirati talent in space technology

06/06/2016

Within the framework of strengthening cooperation with educational entities in the UAE, the Mohammed bin Rashid Space Centre (MBRSC) signed a Memorandum of Understanding (MoU) with the United Arab Emirates University (UAEU) in order to develop qualified national human resources to work in the space science and technology sector.
