University's Vision

Leadership and excellence in higher education and scientific research at the regional and international levels.

Mohammed bin Rashid launches UAEU Science and Innovation Park

The UAE University's (UAEU) Science and Innovation Park was inaugurated on Tuesday by His Highness Shaikh Mohammad Bin Rashid Al Maktoum, Vice-President and Prime Minister of the UAE and Ruler of Dubai.

Humanoid robot that can show emotions being developed in UAE

A humanoid robot that can show emotions is being developed in the UAE. Academics at the UAE University hope the robot will be able to care for special needs children, especially those with autism. The project, which brings together experts from science and social science fields, aims to build human senses into robots.
