

Daily Monitoring Report Monday 31/10/2016

University's Vision

Leadership and excellence in higher education and scientific research at the regional and international levels.

UAE University News

UAEU professors design new technology for gas sector

It seems that a new invention in gas purification by two United Arab Emirates University (UAEU) professors is more timely than ever as the world's energy needs are projected to rise by 48 per cent by 2040.
