University's Vision

Leadership and excellence in higher education and scientific research at the regional and international levels.

UAE University news

University scientists find new use for waste in UAE

Agricultural waste is being used by scientists at the United Arab Emirates University (UAEU) to create a new material that could prevent buildings from leaking energy and help make the nation cleaner and greener.

UAEU students to show super-efficient car at Shell Eco-Marathon, Singapore

Built from scratch, light on its wheels and designed to drive 1,500 kilometres (km) on just one litre of fuel, a super-efficient car that was created by students at the United Arab Emirates University (UAEU) is about to be put to the test.

University's Mission

Make a positive contribution to the advancement of United Arab Emirates by preparing graduates for future leadership, providing quality education that meets international standards, developing research solutions in areas strategic to the nation, and collaborating effectively with other organizations to promote knowledge in the society.
